Von Tad Williams : Happy Hour In Hell (Bobby Dollar Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Happy Hour In Hell (Bobby Dollar Book 2) (English

Edition):

Kurzbeschreibung Ive been told to go to Hell more times than I can count. But this time Im actually going. My names Bobby Dollar, sometimes known as Doloriel, and of course, Hell isnt a great place for someone like meIm an angel. They dont like my kind down there, not even the slightly fallen variety. But they have my girlfriend, who happens to be a beautiful demon named Casimira, Countess of Cold Hands. Why does an angel have a demon girlfriend? Well, certainly not because it helps my career.Shes being held hostage by one of the nastiest, most powerful demons in all of the netherworldEligor, Grand Duke of Hell. He already hates me, and hed like nothing better than to get his hands on me and rip my immortal soul right out of my borrowed but oh-so-mortal body.But wait, it gets better! Not only do I have to sneak into Hell, make my way across thousands of miles of terror and suffering to reach Pan- demonium, capital of the fiery depths, but then I have to steal Caz right out from under Eligors burning eyes and smuggle her out again, past demon soldiers, hellhounds, and all the murderous creatures imprisoned there for eternity. And even if I somehow manage to escape Hell, Im also being stalked by an undead psychopath named Smyler whos been following me for weeks. Oh, and did I mention that he cant be killed?So if I somehow survive Hell, elude the Grand Duke and all his hideous minions and make it back to the real world, Ill still be the most hunted soul in Creation. But at least Ill have Caz. Gotta have something to look forward to, right?So just pour me that damn drink, will you? Ive got somewhere to go.PressestimmenPraise for THE DIRTY STREETS OF HEAVEN:'When I heard that Tad Williams was writing an urban fantasy novel, I got all tingly. Now I've read it, and it's even better than I'd dared to hope. It's snarky, fast-paced, and above all, original. You should be tingly, too.' (Patrick Rothfuss)'Tad Williams' ... famous four-book trilogy was one of the things that inspired me to write my own seven-book trilogy. [I] said, "My god, they can do something with this form," and it's Tad doing it.' (George R.R. Martin)'This is urban fantasy at its best.' (EpicBooks)'A very promising start to an exciting new series from one of our greatest modern F/SF authors.' (Geek Syndicate)'Readers who enjoy Neil Gaiman's Neverwhere, Kate Griffin's A Madness of Angels, Jim Butcher's Dresden Files will most likely be as entertained as I was... Highly recommended.' (SFF World)WerbetextLove is Hell.
