Kurzbeschreibung Bestselling Book and Top 100 Kindle Book #1 Mystery Romance Bestseller and a #1 BN Bestseller Best-selling author Maddy Fitch, while researching material for a new novel, returns to her hometown of Harbour Falls to investigate an unsolved disappearance that has haunted the tiny Maine coastal town for the past four years. Although the case has gone cold, Maddy soon discovers that the prime suspect, Adam Ward, is hotter than ever. The sexy, secretive Mr. Ward now makes his home on an isolated island near the coast, so Maddy takes up residence nearby to find out why this enigmatic man lives in such a secluded place. Is it because the missing person at the heart of the case, a young woman, was engaged to Adam at the time of her disappearance? Did the prime suspect perhaps move to escape the town's scrutiny, or is he hiding something much more sinister? As Maddy plunges into the case, she and Adam are drawn together. Should she fight her growing attraction to a possibly dangerous man? The mystery deepens, and the list of suspects, people who all had reasons for wanting to see the missing young woman gone, grows. Maddy hopes that by solving the mystery Adam will be proven innocent of any involvement, and they can then move forward with their relationship. But as she uncovers clues that begin to lead suspicion away from Adam, new secrets emerge that leave her questioning everything. Maddy continues to close in on the truth, threatening to blow the lid off the whole mystery. But what she doesn't realize is that she's actually caught up in someone's very dangerous game. Lies, secrets, deceptions. In Harbour Falls, nothing is ever what it seems. This steamy novel immerses the reader in an intricate storyline that will keep them glued till the very last page. Romantic Suspense/Mystery genres * mature themes * Order of books in the completed bestselling Harbour Falls Mystery trilogy: Harbour Falls Willow
