Von Lisa Renee Jones : Hard and Fast (Mills Boon Blaze) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hard and Fast (Mills Boon Blaze):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Absolutely captivating storyVon DannyfiredragonI don't want to say anything more about the plot of the book, because there was already said enough about.But what makes the book so special are the characters. Ms. Jones created

two great and realistic main characters. It's fun to see how the relationship between them develops. *Hard and Fast* is a sexy and funny book and Ms. Jones hit a real Home Run with this book. Hope that there will be more Blaze stories by Ms. Jones.
