Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Interessante Story Von Frank Nachdem ich schon die komplette Nightingale-Reihe von Stephen Leather verschlungen

habe, machte ich jetzt den ersten Versuch der Spider-Shepherd-Reihe. Es war ganz gut und unterhaltsam. Es kam nicht an Nightingale heran, doch ich habe mir jedenfalls den Sammelband 2-4 bestellt und entscheide dann weiter. PS : Die Spider Shepherd-Reihe gibt es momentan nur in Englisch. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Captivating Read Von Robert Waterman As usual with Stephen Leather novels there is action from the start but ironically in this case set in a scene of relative normality. This intriguing start is added to, creating a gripping build of tension, making the book a great captivating read. Thoroughly recommend it 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend und informativ Von Hans... wenn es in Gefngnissen tatsächlich so zugeht, wie beschrieben. Die Parallelgeschichte ber die Familie behrend. Spyder Shepherd ein moderner 007 mit Nerven aus Stahl, der es im Familienleben nicht schafft...

Kurzbeschreibung The first book in the bestselling Dan 'Spider' Shepherd series. Dan 'Spider' Shepherd is used to putting his life on the line. Working for an elite undercover squad he has lied, cheated and conned in order to bring Britain's most wanted criminals to justice. But when a powerful drugs baron starts to kill off witnesses to his crimes, Shepherd is given his most dangerous assignment yet. He has to go undercover in a top security prison, a world where one wrong move will mean certain death. As Shepherd gambles everything to move in on his quarry, he soon realises that the man he is hunting is even more dangerous than the police realise. And that he is capable of striking outside the prison walls and hitting Shepherd where it hurts most. Pressestimmen Dan 'Spider' Shepherd, undercover detective and all-round hardpan, faces his toughest assignment yet as he infiltrates a top security prison, endangering not just himself but his family as well. The author has clearly enjoyed himself cranking up the moral ambivalence of the prison officers, making the lifers with nothing to lose even more hard-edged than is strictly necessary, and ensuring that the brutalising and dehumanising prison environment resembles a factory for manufacturing evil. Not perhaps the most original of plots, but prison life is as topical as ever and prison drama plays well, whether on the small screen or the printed page. Plus the author has form, so to speak, having written not just highly successful novels but also episodes of London's Burning and The Knock. Werbetext The ebook and paperback international bestseller: Stephen Leather's first hard-hitting, Dan 'Spider' Shepherd thriller, set in one of the most notorious and corrupt of British prisons.
