**Von Walter Jon Williams : Hardwired (Complete Novel) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hardwired (Complete Novel) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Ein genreprender Roman!Von ParsecWenn man "Cyberpunk" sagt flt jedem sofort EIN Roman ein: Gibson's weltbewegendes Meisterwerk "Neuromancer". Dabei gab es fr die Ende der 80er Jahre richtig auf die berholspur gehende Literaturgattung des Cyberpunk eigentlich zwei Schlsselromane: Neuromancer einerseits und HARDWIRED andererseits.Wer HARDWIRED liest wird feststellen, dass hier die restlichen Klischees des Genres definiert wurden -

das Setting ist mehr "nach drauen" verlegt, und mitunter sind deutliche Reminiszenzen des "Road Warrior" Genres zu bemerken. Hier sind es vor allem die cybernetisch gesteuerten Panzer, die vom Roman in Erinnerung bleiben, genauso, wie die Cybersnake "Wiesel" im Hals einer Killerin. HARDWIRED ist dabei ein Stck direkter und actionorientierter als Neuromancer - whrend letzterer mitunter in psychodelischen Schilderungen schwelgt hat HARDWIRED eine stringent Geschichte... welche auch noch nach 20 Jahren Spa macht. Alles in allem: Neuromancer wird sicherlich der wichtigste Roman des Cyberpunk bleiben, HARDWIRED ist allerdings mit Neal Stephensons in den 90ern erschienenen "Snow Crash" ein heier Anwrter auf Platz 2!

KurzbeschreibungEarth lies prostrate beneath the lash of the Orbital powers, and Earths Balkanized nations have no choice but to let the Orbitals plunder their remaining wealth. Below the zone of Orbital control, buttonheads, panzerjocks, dirtgirls, and hustlers scramble for their ticket out of the gravity well. But now, if the criminal underworld and the guerilla underground can join forces, there is a chance to shift the balance of power in a war fought on the ground by hardwired commandos, in the air by high-flying deltajocks, and by genius hackers in the neural interface. As Roger Zelazny said, Hardwired is a tough, sleek juggernaut of a story, punctuated by strobe light movements, coursing to the wail of jets and the twang of steel guitars glittering, nasty, and noble and told in a style perfectly suiting its content. It has all of my favorite things blood, love, fire, hate and a high ideal or two. I wish Id written this one.

KurzbeschreibungEarth lies prostrate beneath the lash of the Orbital powers, and Earths Balkanized nations have no choice but to let the Orbitals plunder their remaining wealth. Below the zone of Orbital control, buttonheads, panzerjocks, dirtgirls, and hustlers scramble for their ticket out of the gravity well. But now, if the criminal underworld and the guerilla underground can join forces, there is a chance to shift the balance of power in a war fought on the ground by hardwired commandos, in the air by high-flying deltajocks, and by genius hackers in the neural interface. As Roger Zelazny said, Hardwired is a tough, sleek juggernaut of a story, punctuated by strobe light movements, coursing to the wail of jets and the twang of steel guitars glittering, nasty, and noble and told in a style perfectly suiting its content. It has all of my favorite things blood, love, fire, hate and a high ideal or two. I wish Id written this one.

Synopsis Set in the future, this book follows the war between the criminal and resistance underworld and the Orbital Heaven, a war in which men become machines.
