**Von Marilyn Pappano : Some Enchanted Season (Bethlehem)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Some Enchanted Season (Bethlehem):

**Kurzbeschreibung**Sometimes miracles do happen. When Maggie left her husband Ross that fateful Christmas Eve, their marriage was over. But a near fatal accident on an ice-slick road changed everything. Now another Christmas approaches. While Maggie hasn't regained all her memory, she's ready to test her strength at home--with Ross as her only companion. Sharing a house with him once more, putting on the best face for their neighbors, Maggie knows

she's living a lie. Then she glimpses Ross as he used to be: playful and passionate, the man of her dreams before ambition changed him. She couldn't know he's feeling the same regrets, the same heartache...or that he fears the return of her memory. What will happen when she remembers the reason she fled from him last year? It will take a miracle to send the walls of anger and secrecy tumbling down and reunite the divided couple. But in the small town of Bethlehem, miracles do happen....From Publishers WeeklyPappano takes readers back to the fictional town of Bethlehem, N.Y. (from *Season of Wishes*), for a season of tree trimming, cookie baking and personal rebirth in her holiday heart-warmer. All of Bethlehem's citizens'human and angelic?are gearing up for the holiday season, including Maggie McKinney, who has spent the past year recovering from a near-fatal car crash that left her scarred and suffering from a slight case of amnesia. The only thing she remembers clearly is that she and Ross, her workaholic husband of 16 years, had planned to divorce. Ross, whose one indiscretion caused Maggie's accident and has left him guilt-ridden, insists on staying with her until she can adjust to living on her own. As Bethlehem weaves its magic, Ross begins to redefine his values and Maggie learns to forgive. This uplifting tale is for everyone who believes in love. While a pair of protagonists with divorce on their minds make for an unlikely beginning, the idyllic holiday setting (in the town of Bethlehem, NY), Maggie's highly selective memory, and some serious angelic intervention assure a happy outcome in this intense, compelling story that deftly explores the related themes of betrayal and forgiveness. Pappano has written a number of romances (*Season for Miracles*, Warner, 1997), including some well-received romantic suspense. She lives in Oklahoma.Copyright 1998 Reed Business Information, Inc.
