Von Megan Bryce : Some Like It Hopeless (It's Only Temporary) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Some Like It Hopeless (It's Only Temporary) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not quite hopelessVon Kindle JunkieThis story has a much more serious - and believable - tone than books 1 to 3 of this

"series". Brady is responsible for the death of his wife and son and refuses to be happy or love again. Christian, a gay man from Utah struggles to accept his homosexuality and worries of the probable loss of his parents' and siblings' love if he admits it to them. Cassandra loves her gay best friend Shane in a way he does/can not love her. But there is still humor, as is always the case with Megan Bryce's writing, with dialogs that had me laughing out loud. Especially the exchanges between Cassandra and Shane, and to a lesser degree between Brady and Cassandra, and the somewhat black and disrespectful humor they share. I'd feel right at home sitting among them.

Kurzbeschreibung
In love with her gay best friend since forever, Cassandra Spencer has accepted that not everyone can have the fairy tale. Not everyone can have marriage and children and the same last name. But she has Shane, and she loves him and he loves her... Until he falls in love with someone else. Someone nothing like Cassandra; someone she can never accept. Brady Roberts destroyed his whole world, and there will be no forgiveness. No end to his guilt and pain. He exists day to day until he tangles with a woman who just wont let him. A woman who believes that life is meant to be lived, no matter how hard it is. No matter how much it hurts. No matter how hopeless. Because sometimes, hopeless doesnt have to mean alone. And sometimes, hopeless isnt the end.~It's Only Temporary~ (books can be read in any order) Some Like It Charming Some Like It Ruthless Some Like It Perfect Some Like It Hopeless
