duelVon Kindle JunkieTwo driven personalities, Maggie and Cole, tangle in this entertaining story, fighting against  
each other and together against their Dallas enemies. Witty dialog as can be expected from Megan Bryce.

KurzbeschreibungDallas, Texas the home of big hair and big hats. Big money and big egos. Big lives, big loves, and  
big mistakes...The Caldwells and Montgomerys have been feuding for generations, and through the years Margaret  
and Cole have been secret friends, secret lovers, and outright enemies. For the last six years, they've both pretended  
the other didn't exist it's hard to get along with a Caldwell when she always gets what she wants; it's hard to trust a  
Montgomery when he'll go out of his way to break a deal.But six years is a long time. Long enough to make a woman  
who was once queen of the Dallas social set now teeter on the brink of bankruptcy. Long enough to make a man who  
was once reviled now so prosperous that anyone in Dallas would beg to be under his thumb.Almost anyone. Because  
Margaret Caldwell hasn't forgotten that the last time she made a deal with Cole Montgomery, he betrayed her and  
she'll never believe that all he wants for saving her this time is forgiveness for his one big mistake...Contains a damn  
lotta cussing, too much sex and innuendo, and one angry blonde making a man sing soprano.The four books in the It's  
Only Temporary series can be read in any order.KurzbeschreibungDallas, Texas the home of big hair and big hats. Big
