Sheryl's books. After all, I am her editor. But when she first sends her manuscripts, I am a reader. So why not? I really don't know how Sheryl does it. She converted me from someone who did not really read romcom to someone without fingernails waiting for her next manuscript to be released from her drawer. I'd go and cook chicken soup for her anytime if I thought it would help! Anyway - this book is inspiring! The descriptions of the animals are heartwarming and oh so true. If you are an animal lover, a romcom reader, if you know someone who has autism or if you are just simply looking for a touching read, then this book is for you! You will not want to put it down!

Kurzbeschreibung Sigh with contentment, scream with frustration. At times you will weep. Dumped by her husband for a blindingly blonde twig, single mum Donna is getting on with her life, albeit not very confidently. In her dreams, she'll meet a drop dead delicious hero who will love her and her three-legged dog without question. Alas, in reality, they don't exist. Dashing policeman Mark does what men do: hides his hurt well. Mark has a lot riding on any sort of relationship he might enter into. He has a special needs son. But should he tell Donna, the quirky, sassy, caring woman he's fallen in love with? Or will he scare her away? Could Mark be the hunk Donna needs? Could Donna be the rock Mark can lean on? If they look hard enough, can they find Somebody to Love? Fabulous, funny, heart-breaking. If you are a fan of Jill Mansell you will love **SOMEBODY TO LOVE!** Brook Cottage Books I was blown away by Sheryl's beautiful writing. ed The Book. Somebody to Love is a fearless and humorous spin on a topic that everyone can identify with. Cosmochicklitan Kurzbeschreibung Sigh with contentment, scream with frustration. At times you will weep.
