Von Kate Rothwell : Somebody Wonderful (Somebody series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Somebody Wonderful (Somebody series Book 1) (English Edition):

Kurzbeschreibung Michael McCann has a gentle way with women, and Timona Calverson is no exception, despite her ragged clothes. Though Timona may be no more than a mysterious woman, Michael is determined to keep her from harm, if only for one night. Timona can't bring herself to tell him who she really is - or that her rich family will pay handsomely for her return. She knows very little about Michael McCann, except that he is good enough to give his last cup of tea to a stranger, and compassionate enough to own the ugliest dog on earth. But the rugged Irishman's unexpected kindness has won her wayward heart - now and forever.
