**Von Lauren Graham : Someday, Someday, Maybe: A Novel** before purchasing it in order to gage whether or not it would be worth my time, and all praised Someday, Someday, Maybe: A Novel:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Charmantes DebtVon seldaWir schreiben das Jahr 1995. Franny Banks hat die letzten 6 Monate ihrer selbstgesetzten Deadline vor sich, um in New York City als Schauspielerin Fu zu fassen. Sie lebt seit zweieinhalb Jahren in der Stadt,

um in die Fußstapfen ihrer Idole Diane Keaton und Meryl Streep zu treten. Während sie vom Broadway träumt, holt sich sie vorwiegend mit Kellnerjobs über Wasser. Die Uhr tickt und ihre Familie drängt sie, zurück nach Hause zu kommen und etwas Vernünftiges mit ihrem Leben anzufangen. Seit Wochen bereitet sich ihre Schauspielklasse auf ein großes Vorspielen vor, bei dem die wichtigsten Agenten der Stadt anwesend sein werden. Als wäre der Druck nicht schon groß genug, buhlen der attraktive und erfolgreiche Schauspieler James und ihr Mitbewohner der Science Fiction Autor Dan um ihre Gunst. Außerdem gibt es noch Clarke, den netten Exfreund, der immer Frannys Backupplan war. Für mich war dieses Buch eine Liebe auf den ersten Blick. Die Figuren sind mir sofort ins Herz gewachsen und zu Freunden geworden. Lauren Graham schreibt unheimlich warmherzig, witzig und sehr filmisch. Die Geschichte ist lebendig und voller überraschender Wendungen. Franny kämpft mit den Widrigkeiten ihres Lebens, lässt sich nicht unterkriegen und folgt ihrem Traum. Es ist eine Geschichte über Träume, die Erwartungen Anderer und darüber die eigene Stimme zu finden. Ein kleiner, feiner Schatz! 5 von 5 Kunden fanden die folgende Rezension hilfreich. Tolles Buch! Von N. Ein super Buch - sehr lustig und sehr herzlich geschrieben. Kein Wunder, bei der Autorin! Absolut zu empfehlen für alle, die nicht immer gleich Philip Roth brauchen... 1 von 2 Kunden fanden die folgende Rezension hilfreich. SSM Von Roswitha Antes Habe das Buch schon. Da ich es nicht ständig mit mir herumtragen wollte nochmals als E-Book gekauft. Das Buch ist sehr unterhaltsam

Kurzbeschreibung From Lauren Graham, the beloved star of Gilmore Girls and Parenthood, comes a witty, charming, and hilariously relatable debut novel about a struggling young actress trying to get ahead and keep it together in New York City. Its January 1995, and Franny Banks has just six months left of the three-year deadline she set for herself when she came to New York, dreaming of Broadway and doing important work. But all she has to show for her efforts so far is a part in an ad for ugly Christmas sweaters, and a gig waiting tables at a comedy club. Her roommate her best friend Jane, and Dan, an aspiring sci-fi writer are supportive, yet Franny knows a two-person fan club doesn't exactly count as success. Everyone tells her she needs a backup plan, and though she can almost picture moving back home and settling down with her perfectly nice ex-boyfriend, she's not ready to give up on her goal of having a career like her idols Diane Keaton and Meryl Streep. Not just yet. But while she dreams of filling their shoes, in the meantime, she'd happily settle for a speaking part in almost anything and finding a hair product combination that works. Everything is riding on the upcoming showcase for her acting class, where she'll finally have a chance to perform for people who could actually hire her. And she can't let herself be distracted by James Franklin, a notorious flirt and the most successful actor in her class, even though he's suddenly started paying attention. Meanwhile, her bank account is rapidly dwindling, her father wants her to come home, and her agent doesn't return her calls. But for some reason, she keeps believing that she just might get what she came for. Someday, Someday, Maybe is a story about hopes and dreams, being young in a city, and wanting something deeply, madly, desperately. It's about finding love, finding yourself, and perhaps most difficult of all in New York City, finding an acting job. Look for special features inside. Join the Random House Readers Circle for author chats and more. A winning, entertaining read . . . [Lauren Graham] has smartly mined just the right details from her own experience, infusing her work with crackling dialogue and observations about show business that ring funny and true. The Washington Post A charmer of a first novel . . . [Graham] has an easy, unforced style and, when the situation calls for it, a keen sense of the ridiculous. The Wall Street Journal With insight, care, and an abundance of humor . . . Graham demonstrates that her acting chops are not her only talent. Library Journal Thoroughly charming. Entertainment Weekly Sweet, funny, and full of heart . . . a dazzling debut. Emily Giffin, New York Times bestselling author of Something Borrowed and Where We Belong Warm and funny, charming and smart. Diane Keaton, New York Times bestselling author of Then Again Graham deftly captures what it's like to be young, ambitious, and hopeful in New York City. Candace Bushnell, New York Times bestselling author of Sex and the City and The Carrie Diaries Fresh and funny and full of zingers, Lauren Graham's charming writing style instantly drew me in. Meg Cabot, bestselling author of the Princess Diaries and Heather Wells Mystery series Pressestimmen A winning, entertaining read . . . [Lauren Graham] has smartly mined just the right details from her own experience, infusing her work with crackling dialogue and observations about show business that ring funny and true. . . . Just like the screenwriters of the best romantic comedies, she has taken elements of the familiar and spun them into . . . a novel that's heartfelt, hilarious and, hopefully, just the first example of what she can do with the written word. The Washington Post A charmer of a first novel . . . [Graham] has an easy, unforced style and, when the situation calls for it, a keen sense of the ridiculous.
