Seitdem ihre Freundin sie verlassen hat, nutzt sie ihren Job in einer Kaffeebar dazu aus, Mdchen und junge Frauen fr eine Nacht zu erobern. Am

nächsten Morgen serviert sie sie gnadenlos ab. Taylor will sich nicht mehr verletzen lassen. Deshalb geht sie auf niemanden mehr ein. Aus finanziellen Gründen braucht sie eine Mietbewohnerin für ihr Apartment. Dies ist Zoey. Diese ist eine hübsche, intelligente und aufgeschlossene junge Frau. Sie schafft es durch ihre Art in Taylor etwas zu bewegen. Taylor und Zoey nähern sich einander langsam an. Doch dann kommt es zum Eklat als sich der letzte von Taylor geplante One-Night-Stand als Zoey's Ex herausstellt. Zoey beschließt daraufhin, auszuziehen. Kann Taylor sie zurückhalten? Kann Taylor ihr Verhalten ändern und wieder jemanden in ihr Herz lassen? Darum geht es im folgenden. Insgesamt eine nette und unterhaltsame, wenn auch vorhersehbare Romanze mit relativ wenigen Grammatikfehlern.

Kurzbeschreibung  
Nineteen-year-old Taylor has life under control, content with a routine of work and casual encounters, until the day a prospective roommate shows up at her apartment and challenges Taylor to share more than just the spare bedroom. Taylor abides by her own set of rules. She is careful to avoid intimacy and does not allow anyone to get close to her. Taylor has convinced herself, against the wishes of her friends, that being unattached will save her from inevitable heartache. However, this all changes when Zoey, a representation of everything that Taylor is not, moves in with her. The more Zoey accepts Taylor for who she really is, the more Taylor worries that Zoey could fulfill her secret desire for true human connection. Now, a frightened Taylor must decide whether she is willing to reevaluate her sense of happiness and redefine it with Zoey, even if it means running the risk of being broken in the end. Something in Return is a story about learning to let people into our lives, as oftentimes getting to know the strangers among us requires getting to know the stranger within us. A tale of self-preservation and self-definition, this story is about breaking down the confines in which we live (that we typically have built ourselves), because only then are we free and able to love truly.
