**Von Victoria Corby : Something Stupid (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Something Stupid (English Edition):

Von Ein Kunde Wer die Bcher von Jane Green mag, wird auch Victoria Corby mgen! Nachdem ich ihren ersten Roman "The seven week itch" geradezu verschlungen und mich dabei kstlich amsiert habe,

wurde ich auch von "Something stupid" nicht enttäuscht. Ein humorvolles, unterhaltsames Buch, sehr empfehlenswert!

**Kurzbeschreibung** Laura Moreton never dreamed when she asked ex-stepbrother James for help out of a tricky situation that he'd demand payback. However a weekend in a country mansion going to a glamorous ball doesn't sound too onerous, apart from pretending to be James girlfriend and she got over wanting to be that a long time ago. Before she knows it, Laura is embroiled in a tangle of jealous husbands, flighty wives, self-help gurus, sexy French firemen, self-absorbed boyfriends, ungrateful cats, demanding bosses and a stepbrother who seems set on doing something very stupid indeed. London Times bestselling author Victoria Corby has written several delightfully funny novels, *Something Stupid* is the first of her books to appear in a Kindle edition.
