Von D. H. Lawrence : Sons and Lovers (Classic Illustrated Edition) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sons and Lovers (Classic Illustrated Edition) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
sthetische LiteraturVon the perfect fitIch bin ein totaler Fan von englischer Literatur und zwingt mich immer dazu,
diese in Originalsprache zu lesen, da die deutschen bersetzungen zumeist schlecht und fehlerhaft sind und das

Gesamtbild der Geschichten stilistisch oft total deformiert wird. Ich muss zugeben, dass ich lange an "Sons and Lovers" gesessen bin. Das schwierige Vokabular hat mir oft passagenweise das Verständnis genommen und das trotz 9 Jahren Schulenglisch! Ein weiteres Handicap, wenn man nicht allzu gut mit der Englischen Sprache vertraut ist, ist die englische Dialektsprache. Wenn man aber all diese, teilweise mhseligen Leseprobleme hinwegsehen kann, ist "Sons and Lovers" ein Erlebnis! Die Geschichte der Familie Morel ist wunderschön gezeichnet und beschreibt das Leben und den Lebenskampf früherer Zeiten. Die Charaktere sind einzigartig, von der intelligenten, emanzipierten Mrs. Morel, die alles für ihre Kinder tut bis hin zum gewalttätigen, trinkenden Mr. Morel, der in einem Bergwerk arbeitet. Besonders ausgeführt wird die Geschichte ihres Sohnes Paul, eines ihrer vier Kinder. Aber mehr will ich hier nicht verraten - jeder, der Englisch kann - READ THIS !!! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Maybe my favorite book ever Von A reader from New Jersey This book is amazing. When I first started reading it I was afraid the book might drag at times but this was not the case. I never found myself becoming bored during the book, in fact, there were many times where I found it hard to put the book down. I have recommended this book to everybody, including to the person reading this review. Maybe the book is good for me because I can somewhat relate to Paul Morel's character at times. Now I am not saying that I am in love with my mother, but his awkwardness in the earlier sections of the book really struck me. The scenes are so vivid in the book that a reader almost feels that they are there in England with Paul. I also loved how Lawrence would give the thoughts of the female characters as well as Paul. Again, I must say that the book was excellent and I look forward to reading it again soon. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Moving story Von Ramesh Kumar The plot of the story is simple but the narration is very impressive. Life of the main character, Paul Morel, will be revolving around his mother. Paul will fail to replace his mother by any other woman. When his mother dies, Paul will lose focus and his life becomes chaotic. But it is not a tragedy and story ends with positive note. Following is my favourite part in the novel. Morel is a drunkard and his wife and kids do not like him. I liked the portrayal of change in environment of Morel's house when Morel is in the house and out of the house. The Miriam's character is very consistent. Finally, if you are used to reading classics, this is a must read.

Kurzbeschreibung* Beautifully illustrated with delightful sketches from early editions, Sons and Lovers is a riveting portrayal of a coal mining family whose two sons develop an intense bond with their mother whilst nurturing a violent hatred for their aggressive, drunken father. They both embark on a series of love affairs that are ultimately destined to fail as their hearts belong to their mother. Remarkably well-written for a first novel, Sons and Lovers was recognized as a masterpiece soon after publication and remains one of the greatest works of twentieth century English literature. It's just as gripping today as it was when first published over a century ago.* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.
