Von Jeffrey Archer : Sons of Fortune (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sons of Fortune (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen8 von 8 Kunden fanden die folgende Rezension hilfreich. Eines von Archers TopbchernVon knrdNachdem ich das Buch schon etwas lngere Zeit hier liegen hatte, hab ich gestern endlich Zeit gefunden es zu lesen: Es kommt zwar nicht ganz an meinen Favoriten Kain und Abel ran (Keine Ahnung wie oft ich den gelesen hab ;)), aber insgesamt finde ich ist es einer seiner besten Bcher, und ich hab so ziemlich alles

(mehrmals) gelesen. hnlich wie in Imperium Kain und Abel, handelt Sonst of Fortune von 2 erfolgreichen Mnnern, und ihrem Aufstieg in Politik Wirtschaft. Im Gegenstz zu den beiden anderen Bchern, handelt es sich bei den beiden Mnnern um Zwillinge, die durch einen "Zufall" ;) nach der Geburt getrennt wurden. Sie laufen sich mehrmals ber den Weg, ohne das sich erkennen. Erst als beide fr das Amt des Gouverneur kandidieren kommt es zu einem Zusammentreffen, und der Auflsung. Anders als in den zwei "hnlichen" Titeln, kommts aber zu einem "Happy End".Insgesamt ein sehr gut geschriebenes Buch, und bis auf die ersten paar Kapitel wo man das Gefhl hatte das Archer einfach nur die Namen ausgetauscht hatte ;) sehr spannend interessant geschrieben, mit mehreren unvorgesehen Wendungen.Tip: Wem Kain und Abel oder Imperium gefielen, der sollte sich unbedingt Sons of Fortune zu legen, aber auch allen anderen kann ich Sonst of Fortune nur ans Herz legen, bisher gefiel es auch "Jeffrey Archer Neulingen" ;)7 von 8 Kunden fanden die folgende Rezension hilfreich. ein traumbuch!Von Bernd Eppelsich habe schon einige bcher von jeffrey archer gelesen, aber dieses ist mit abstand das beste! es betrifft meiner ansichtnach sogar noch "kain und abel".ich halte normal nicht viel von bertreibungen in der art von"von der ersten bis zur letzten seite spannend", aber bei diesem buch ist es einfach so!von anfang an ist man von der handlung gefesselt, man leidet undfreut sich mit den beiden hauptpersonen und kann es kaum erwarten zu erfahren wie es weitergeht. das buch ist beileibekein actiongeladenes buch, das braucht es aber auch gar nicht. eslebt einfach von den charakteren und den kleinigkeiten, den berraschenden wendungen und ereignissen.ich glaube nicht, das es jeffrey archer gelingen wird, dieses meisterwerk zu toppen und kann es jedem nur ans herz legen. fr mich persnlich ist es eines der besten bcher die ich je gelesen habe.1 von 1 Kunden fanden die folgende Rezension hilfreich. Great book by Jeffrey ArcherVon Rudi45After having read `Kane and Able` which I enjoyed very much I bought `Sons of Fortune`. It`s a very thrilling book, also easy to understand for people whose first language is not English.The twin brothers Nat and Fletcher are separated on purpose at birth. The story describes how they grow up in their two different families and how they finally meet.It`s a well written book and you learn in which different directions the brothers develop. Nevertheless Nat`s and Fletcher`s careers are resembling each other!This book is worth reading!!!

KurzbeschreibungUnited in their rivalry, Sons of Fortune is the classic tale of two brothers engaged in a power struggle from international bestselling author, Jeffrey Archer.In the late 1940s in Hartford, Connecticut a set of twins is parted at birth. Nat Cartwright goes home with his parents, a schoolteacher and an insurance salesman. But his twin brother is to begin his days as Fletcher Andrew Davenport, the only son of a multi-millionaire and his society wife. During the years that follow, the two brothers grow up unaware of each other's existence. Nat leaves college at the University of Connecticut to serve in Vietnam. He returns a war hero, he finishes school and becomes a successful banker. Fletcher, meanwhile, has graduated from Yale University and distinguishes himself as a criminal defence lawyer before he is elected to the Senate. Even when Nat and Fletcher fall in love with the same girl they still don't meet. They continue on their separate paths until one has to defend the other for a murder he did not commit. But the final confrontation comes when Nat and Fletcher are selected to stand against each other for governor of the state. 'There's a touch of the magician about Jeffrey Archer' Mail on Sunday.deThe author of Sons of Fortune, Jeffrey Archer, is one of the most controversial figures of our age, both as a man and a writer. Jeffrey Archer triumphed over a well-publicised series of disasters to become one of the bestselling writers of the century, and a millionaire several times over. All his mishaps (both financial and personal) merely added to the public image of a writer as one of the great survivors--a man who took all the slings and arrows of outrageous fortune and bounced back. His books were always his salvation--many readers were spellbound by his narrative abilities. In fact, Sons of Fortune has encomiums by four newspapers praising the author. Of course, famously, Jeffrey Archer was detained at Her Majesty's Pleasure, and this is his first major novel to appear following his incarceration. But Archer fans are not likely to desert him for this little setback, and the new book will ensure the kind of attention that made such predecessors as First Among Equals such copper-bottomed bestsellers. The concept here is one that has exercised writers since Shakespeare--twins separated by the vicissitudes of chance and reunited under very different circumstances. In Hartford, Connecticut, two brothers are denied the opportunity to grow up together. Fletcher Davenport enjoys life as the son of a millionaire, while his brother Nat grows up under less advantaged circumstances, as the son of a schoolteacher and an insurance salesman. The brothers grow to adulthood not knowing of each others' existence, and Nat distinguishes himself as a war hero in Vietnam before returning to great success as a financier. Fletcher goes from a prestigious law career to become a senator. Ironically, the two men fall in love with the same girl, and when murder enters the equation, one brother has to defend the other against the most severe of charges. Detailing the American background with great gusto, Archer paints his narrative in broad brushstrokes that may lack subtlety but keep the reader transfixed for the whole length of this epic narrative. --Barry Forshaw.co.ukThe author of Sons of Fortune, Jeffrey Archer, is one of the most controversial figures of our age, both as a man and a writer.
