KurzbeschreibungAUTHOR'S PREFERRED EDITION!A humorous paranormal romance by USA Today bestselling author Mindy Klasky.Librarian Jane Madison's life has turned upside down since she discovered she's a witch. The local coven has issued an invitation she can't refuse: work a spell to protect their new safehold or lose her beloved arcane books, her sassy feline familiar, and her brooding astral protector, David Montrose.But the coven's test isn't the only challenge Jane faces. There's her new boyfriend, a handsome Brit who seems determined to distract her from magic. And a witchy friend who has a distinctly loose grasp on arcane ethics. Not to mention a long-absent mother, a mojito-loving best friend, and a boss who expects Jane to step up to the next level in library management.Is sorcery the answer to all of Jane's problems? Or is magic only another name for disaster?The Washington Witches Series includes:Girl's Guide to WitchcraftSorcery and the Single GirlMagic and the Modern GirlCapitol MagicSingle Witch's Survival GuideJoy of Witchcraft"Dreaming of a Witch Christmas" Categories:Fiction ChicklitFiction Chick-litFiction Fantasy Comic FantasyFiction Fantasy GenieFiction Fantasy Urban FantasyFiction Romance Comic RomanceFiction Romance Contemporary RomanceFiction Romance Humorous RomanceFiction Romance Light RomanceFiction Romance Paranormal RomanceFiction Romance Urban FantasyFiction Romance Romantic ComedyFiction Light Women's FictionFiction Women's FictionSimilar Authors:Deanna ChaseAngie FoxTonya KappesKristen PainterRobyn Peterman041317From Publishers WeeklyKlasky emphasizes the importance of being true to yourself and having faith in friends and family in her bewitching second romance featuring fledgling witch Jane Madison (after Girl's Guide to Witchcraft). Young librarian Jane believes getting into the elite Washington Coven, ruled by the prodigious Teresa Alison Sidney, is of major importance. If Jane wants to hold on to her familiar, her valuable book and gemstone collection and David Montrose, her hunky protector and instructor, she has to meet the coven's standards for knowledge and skill. When slickly seductive Graeme Henderson starts laying it on suspiciously thick, and David insists that friendly coven witch Haylee can't be trusted, Jane must decide what's most important: trying to impress the popular coven snobs, or taking control of her power and doing what she knows is best for herself. Klasky's moral lesson is obvious, but readers who identify with Jane's remembered high school social angst will cheer her all the way. (Oct.)
