Von Jourdan Lane : Soul Mates: Bound by Blood (Soul Mates Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Soul Mates: Bound by Blood (Soul Mates Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 4 Kunden fanden die folgende Rezension hilfreich. Bite me!
!Von -KundeI love vampire stories and gay erotica, so I was really looking forward to read this book. And it didn't let me down. Okay so maybe Lane doesn't always stay clear of stereotypes, for example all the vampires are utterly beautiful, but hey I can understand that. I mean there have to be benefits from being undead and sucking blood, don't you think so? All in all I really enjoyed the read and couldn't put it down.And I can't wait to read the sequence Deception.

KurzbeschreibungHouston nightclub Rave is famous for nearly-naked male dancers and beautiful bartenders. Like Peter, a young man with a strict rule about one-night stands with locals. He breaks that rule for Lucien, the owner of The Den, a rival nightclub where there are no boundaries, no taboos. Only he doesn't realize just who Lucien is when he does. When Peter finds out that the man he wants to get to know even more is a vampire, he figures he should have stuck to that rule. He's not fan of vampires or most other creatures of the night, but Lucien is relentless in his seduction. Peter resists Lucien as long as he can, but when he gives in, he does it in a big way, falling headfirst in to the dark, violent world of vampires, werewolves, and other creatures he's only read about. Peter and Lucien begin a very dangerous dance of sensual heat and deep emotion, one that causes them nothing but trouble. No one approves of the human and vampire match, including those in Lucien's Coven, old enemies, and even older friends. Peter and Lucien have to struggle to stay together and protect those they love. Can they beat the forces that will try to tear them apart forever? And can they face what will become of Peter if they stay together?
