Fantastic readVon Philomena(Cheekypee)Yet again Vicki Green has written another amazing story for us to enjoy. I've read all her books so far and this one is exceptionally good.Paxton is the rich girl with a lot of walls built around her. Tuck is the oh-so-sexy rocker who is going to try and break down these walls. There are also a lot more lovely characters in this story who will make you smile. Brilliant storyline had me reading this as much as I could.Be warned there is a lot

of sex and cursing in this book!! Although I'm certainly not complaining :)I was so excited when I saw at the end of this book there will be a novella out this year about the band. I'm so looking forward to getting lost in that book too. Well done Vicki.Received from author in return for an honest review.0 von 0 Kunden fanden die folgende Rezension hilfreich. AwesomeVon Fiona HuntI was asked to read and review this for the author. What can I say about a story that has love, sex and an explosive storyline. Tucker is what every woman dreams of in a man and Paxton is what every man dreams of in a woman. When they get together you can expect explosive things to happen.You get to meet some of the previous characters from the last 2 books and more characters in this book. I loved every single minute of reading this wonderful and fulfilling book. Can't wait to read more from this wonderful author in the future.

KurzbeschreibungLove captures us in a moment and changes us foreverWhen love isnt enough to break through the walls that were built so long ago, how is true happiness ever found? Paxton Davenport built these walls when every guy she met only wanted her gorgeous body. Her modeling career really takes off after returning to L.A. from her best friends wedding. But her thoughts continually plague her of the hot rocker, Tucker Williams, who pursued her both times she visited her friend. Her rich parents have never provided the attention or love she needed growing up. She is considered your typical 21 year old rich bitch, snooty to most but deep inside she is the most loving and caring person you could ever know.Tucker, or Tuck as everyone knows him, grew up in a house where a normal day was seeing his parents drugged out, no food to be found and finding solace in his guitar. His mom ending up in prison and his dad dying from an overdose leads him to falling in with the wrong crowd. With the help of friends, at the age of 22, he finds himself as a tattoo artist by day, the leader of a Rock band (Razers Edge) by night. He falls head over heels for Paxton one night when the band is playing at Bartons bar but she wont give him the time of day.Will Tuck ever get through Paxtons walls or annoy the hell out of her trying?Due to strong language and sexual content, this book is not intended for readers under the age of 18.KurzbeschreibungLove captures us in a moment and changes us foreverWhen love isnt enough to break through the walls that were built so long ago, how is true happiness ever found? Along with her husband and two teenage boys, she shares her home with her cocker spaniels Shadow and Mocha. She has been working full time at the same Company for 35 years. Her life has been filled with the most loving and caring parents, who are both gone now but are still in her heart and mind daily. Vicki enjoys reading Romance books which is what inspired her to begin writing this book. She has always admired Authors dedication and hard work. She had a dream that played out for over a year, came home one day after work and decided to put it on a word document to see how it read and that became My Savior Forever, the beginning of her Forever Series.
