Von Nicole Luiken : Soul of Kandrith (The Kandrith Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Soul of Kandrith (The Kandrith Series):

Kept my attention throughoutVon Avid ReaderIt was some time since I'd bought and read the first volume of this duology, but the story quickly came back to me - the Kandrith reality is quite different from other fantasies I'd read in the meantime.

The plot was strange indeed - a man and woman trying to get her soul or an acceptable substitute back, in the midst of war and turmoil. I was a bit troubled by the last part, but the book kept me up way past my usual bedtime.

KurzbeschreibungThe conclusion of the Kandrith duology Lance is a healer and wielder of slave magic, a power that demands sacrifice. He gave up his health to gain the ability to heal others, but he's powerless to cure his beloved Sara, who sacrificed her soul to save Lance and all of Kandrith. Returning her soul would negate her gift, at the cost of his life and the freedom of his homeland. Now Sara is but a shell of the noble, spirited woman she once was. All that Lance saw and loved in her is gone, but he refuses to give up on her. Charged by his sister, the ruler of Kandrith, with a mission to encourage a budding rebellion within the aggrandizing Republic of Temboria, he leaves with Sara in tow. But not before Wenda's soulsight detects a spark within her. Amidst the escalating dangers in hostile territory, Lance will have to risk both his beloved and his homeland in a final gambit to save them both 138,000
