KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One of my All-time Favorite series!!Von Christina SilcoxI absolutely Love every book in this series! Kristie Cook makes you fall in love with her characters! She has built an intricate world that I got completely lost in! In an absolutely fantastic way, of course. Alexis grows more as a person throughout each book, and emerges as a force to be reckoned with. Tristan is such a well developed character, that when he has dialogue in the books, I can honestly hear him saying it in my head! (Melt!!) He is, by far, my go to book boyfriend. I have and will continue to recommend this series to anyone that will listen. This is an adult series, language and steamy scenes throughout, but that was part of what I loved. Once I read Genesis, (the novella) there were so many questions answered, and so many "oh, No wonder this happened, or That's why this is the way it is". I wasn't sure that I would be as impressed with the novella because I am so in love with the characters in the novels, but I was so wrong! I was drawn in right away, and just as deeply! Thank you Kristie

Cook, for sharing your world with me, and for introducing me to Tristan!

Kurzbeschreibung The first three books of the best-selling, award-winning Soul Savers Series PLUS a bonus novella
Book 1 - A Demon's Promise When Alexis Ames is attacked by creatures that can't be real, she decides it's time she learns who she really is, with or without the help of her mother, who guards their family's secrets closely. Then their secrets begin to unravel. Their union brings hope and promise to her family's secret society, the Angels' army, and to the future of mankind. But it also incites a dangerous pursuit by the enemy - Satan's minions and Tristan's creators. After all, Alexis and Tristan are a match made in Heavenandin Hell.
Book 2 - An Angel's Purpose Lost in despair, Alexis teeters on the edge of an abyss, her lifeline of hopefraying into a thin thread. If it snaps, she'll plunge into complete darkness. Withthe help of her son and her writing, she's been able to hold on. Until now. Erratic impulses, disturbing delusions and her own demonic blood threaten hersanity. When she's forced to choose between hanging onto hope or letting go toserve her Amadis purposes, she faces a decision with inconceivable sacrifices.
