Von Carolyn Hart : Southern Ghost (Death on Demand Mysteries Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Southern Ghost (Death on Demand Mysteries Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quite Enjoyable QuandryVon A ReaderSouthern Ghost was one of the stronger books in the Death on Demand Series. It seems the characters and the stories get stronger as the series progresses. This story includes a large number of local ghost stories that add a real flavor for the past to the mystery at hand. The story has Hart's usual references to a multitude of mystery authors and books, as well as some of the more colorful characters from past books in this series. Including characters like Miss Dora and Sybil added zip to what was already a well planned mystery and gave readers a deeper sense of the area that the books are set in.0 von 0 Kunden fanden die folgende Rezension hilfreich. An engrossing tale of how death continues to affect a familyVon Ein KundeThe style Ms. Hart chose for this mystery kept me on the edge of my seat. It wasn't as funny as her previous tales, but certainly suspenseful. I loved her method of travelling back in time to give tidbits of information that would puzzle and then illuminate. As always, her setting is intricately woven into her story and you can feel and smell South Carolina before you are done. One of her best in this series.0 von 0 Kunden fanden die folgende Rezension hilfreich. Somewhat bizarreVon Ein KundeIt gets a little annoying when mysteries become politically correct and are used to make societal statements. If you are politically correct, try this and some of Nancy Pickard's books. They have the same effect.

KurzbeschreibungBookstore owner Annie Darling must set aside her shame and do some serious sleuthing when her husband Max becomes the prime suspect in an unspecified crime involving a beautiful blonde.KurzbeschreibungBookstore owner Annie Darling must set aside her shame and do some serious sleuthing when her husband Max becomes the prime suspect in an unspecified crime involving a beautiful blonde.Synopsis Down south to solve a missing person case the local police cannot crack, Annie and Max Darling discover that the secretive, aristocratic Tarrant family may be trying to cover up a forty-year-old murder.
