KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute UnterhaltungVon Andre H. ParentWenn ich vom Alltag abschalten will, lese ich Trisha Ashley, denn in ihren Buechern ist die Welt, bis auf verrueckte Kleinigkeiten, immer in Ordnung. Mir gefallen die Figuren und die

Landschaft und Herrenhaeuser, so wie die kleinen englischen Orte, in denen die Geschichte spielt.

Kurzbeschreibung Watch out for temptation in the Garden of Eden Fran March's life in the idyllic village of St Ceridwen's Well is coming up roses. Almost. If only daughter Rosie the result of an uncharacteristic one-night stand years ago wasn't so curious about her real father, and if only husband Mal spent less time on his hobbies, everything would be bliss. But then a face from the past turns Fran's world upside down. The handsome face of TV gardener Gabriel Weston, currently restoring the village's decrepit stately home. And when Fran's ex-boyfriend Tom appears on her doorstep, it seems that all the ghosts of Fran's romantic past are back to haunt her. Can Fran keep Rosie's paternity under wraps? Why is Mal acting so oddly? And will Fran ever learn that every rose has its thorns?
