Witches, Warlocks and all the scary stuff in-between! In this book we meet Jane. Jane is a very simple woman, but not needy or desperate, she holds her

own. For many years Jane has a special gift of seeing and talking to things that are not there, Ghosts. She has been sick off and on most of her life. She has built up a wall with people; afraid that she will get too close and then just die. Not much is known about her birth mom. Her mom left her and Janes dad when she was born. Jane had a step-monster, mother and brother. When Janes dad past away, all of Janes inheritance was taken by her step-monster. Once she was old enough she took off never to be seen or heard from again. All grown up she is has a knack for gardening. Whatever Jane touches she brings life too. Settled in a small community she is happy there just her and her work. Iain MacGregor, the local available hottie. Iain is smitten with Jane from the first time he sees her at work. Iain is an ancient warlock. He lives on the family estate with other members of his secretive family. They all possess powers in their own right. They are getting ready for Iains brother Eriks wedding. When Iain trails after Jane like a lovesick puppy the sparks fly, vines and shrubs grow with these too fated mates. Jane meets with members of the MacGregor family only to be disliked by Iains mom. Feeling defeated Jane focuses on her work. Jane proves herself to the clan and in the end finds her true love. In this light-hearted adventure we meet a bunch of fun-loving, crazy family and all the drama that follows them. Michelle does a wonderful job of bringing together multiple story-lines and wrapping it up in a Magical Spell of True Love.

KurzbeschreibungA Warlocks MacGregor NovelContemporary Scottish Paranormal RomanceLet Sleeping Warlocks Lie...Iain MacGregor knows how his warlock family feels about outsiders discovering the truth of their powers, its forbidden. That doesn't seem to stop him from having accidental magickal discharges whenever he's around the woman who has captured his attention. Apparently his magick and other "parts" don't seem to care what the rules are, or that the object of his affection just might be his undoing. Warning: Contains yummy, hot, mischievous MacGregor boys who may or may not be wearing clothing and who are almost certainly up to no good on their quest to find true love.KurzbeschreibungA Warlocks MacGregor NovelContemporary Scottish Paranormal RomanceLet Sleeping Warlocks Lie...Iain MacGregor knows how his warlock family feels about outsiders discovering the truth of their powers, its forbidden.
