Kirby und Amery sind die ersten beiden, die ihren Bund melden lassen. Kirby ist ein Affengestaltwnadler, Amery eine mnliche Hexe. Beide sind immer fr einen Scherz zu haben, die Dialoge sind meist spritzig. So wollen sich die beiden zum Beispiel fr den erzwungenen Bund rchen, und

Amery zaubert den Itesten Hmorrhoiden an^^ Jedenfalls verstehen sich die beiden einwandfrei. Das Problem ist dabei Amerys Arbeit. Eines Tages wird ihm vorgeworfen, Medikamente gestohlen zu haben, was er natrlich bestreitet. Es folgt ein leicht vorraussehbares Abenteuer, das die beiden noch enger zusammenschweit, inclusive einer Schwangerschaft von Amery. Natrlich darf auch Amerys dunkle Vergangenheit nicht vergessen werden, ber die er nicht sprechen will, aber darber wird der geneigte Leser im Buch mehr erfahren, denn jedes weitere Wort wre zu viel. Dieses Buch war definitiv sein Geld wert und ich habe oft und laut gelacht. FAZIT: Nette Charas, heier Sex, lustige Geschichte, was will man(n?) mehr? Kaufempfehlung!

Kurzbeschreibung[Siren Classic ManLove: Erotic Alternative Fantasy/Paranormal Romance, M/M, shape-shifters, witches, public exhibition, bondage, sex toys] Kirby Saxon, a fun-loving spider monkey shifter, finds himself being rescued by a large, muscled man with kind eyes from an overzealous woman. He decides to mate now and learn about each other later including that male witches can get pregnant. Amery Goddard is an ancient Witch who carries the weight from his lengthy past on his shoulders. He works at a hospital in Colorado Springs, while Kirby can live anywhere with his job for Sups Weekly, so it seems they are the perfect fit. Amery's job as CNO has been his main passion that is, until he meets Kirby. But that same hospital is the cause of his greatest distress in years, and he almost crumbles under the pressure. Will Kirby and Amery's attendance at the UPAC Conference be a blessing concealed within a curse, or will Amery's haunted past lead to them losing everything they've built? \*\* A Siren Erotic Romance
