die folgende Rezension hilfreich. (Navajo Mysteries Book 19) a smooth transition Von Bernie Leaphorn gets shot. It is witnessed by Bernie. She feels sorry that she could not have anticipated and prevented. So she takes the mission to find out who did this dastardly deed and why. As with previous books in the series, yes the dastardly deed takes from the center; however this deed is only a part of what we buy the book for. One of the main reasons for buying the Hillerman novel hold mysteries is for the details of the people places and things that are local to the four corners area. In fact I think Anne out describes Tony. She might've mentioned sopaipillas to a tee but she forgot to mention Navajo tacos. I bought this book anticipating that it would be a cheap knockoff and an attempt the genius of Tony Hillerman. I was more than pleasantly surprised to find out that this book followed the Hillerman formula and by the end of the book may have improved on it. Again what was nice about this book was expected in the story and it did focus on the life and love of Bernie. The surprise came when the bulk of the book referred to old friends and enemies from previous books. So it became an extension of previous stories and deserves to be book 19 and the series instead of a new series. I hope that and Hillerman will continue the series as she left it open enough to do so. For a better background to the story watch the movie "A Thief of Time" (2004) (TV Movie) before reading this book. I have the hard copy in my library. I also bought the kindle version and Whispersync. The only thing about the Whispersync was that it was not George Guidall. Christina Delaine (Narrator) 0 von 0 Kunden fanden die folgende Rezension hilfreich. Navajo Mysteries Book 19) a smooth transition Von Bernie Leaphorn gets shot. It is witnessed by Bernie. Kurzbeschreibung Anne Hillerman, the talented daughter of bestselling author Tony Hillerman, continues his popular Leaphorn and Chee series with Spider Woman's Daughter, a Navajo Country mystery, filled with captivating lore, startling suspense, bold new characters, vivid color, and rich Southwestern atmosphere. Navajo Nation Police Officer Bernadette Manualito witnesses the cold-blooded shooting of someone very close to her. With the victim fighting for his life, the entire squad and the local FBI office are hell-bent on catching the gunman. Bernie, too, wants in on the investigation, despite regulations forbidding eyewitness involvement. But that doesn't mean she's going to sit idly by, especially when her husband, Sergeant Jim Chee, is in charge of finding the shooter. Bernie and Chee discover that a cold case involving his former boss and partner, retired Inspector Joe Leaphorn, may hold the key. Digging into the old investigation, husband and wife find themselves inching closer to the truth...and closer to a killer determined to prevent justice from taking its course. Pressestimmen Spider Woman's Daughter is an intricately plotted, suspenseful, colorful, and unforgettable journey. Readers will fall in love with Bernie Manuelito and look forward to Anne Hillerman's next effort in what should be a long, enjoyable, successful series. Her depiction of the Navajo Nation is spot on. I loved this book. (Jo-Ann Mapson, author of award-winning Solomon's Oak and Finding Casey) Chip off the literary block there are a lot of things Tony taught his daughter, Anne, and one of them was how to tell a good story. Spider Woman's Daughter is a proud addition to the legacy, capturing the beauty and breath of the Southwest as only a Hillerman can. (Craig Johnson, author of the Walt Longmire Mysteries, the basis for AE's hit television series Longmire) A daughter takes on her famous father's legacy in resuming a series focused on Navajo culture maintaining the integrity throughout. (Kirkus s) [H]eart-stopping, action-packed... VERDICT Fans of Southwestern mysteries will cheer this return of Leaphorn and Chee. (Library Journal (starred review) on SPIDER WOMAN'S DAUGHTER) Difficult to put down... If you love mysteries, this book is for you.
