Von Craig Johnson : Spirit of Steamboat: A Longmire Story (Walt Longmire Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spirit of Steamboat: A Longmire Story (Walt Longmire Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Oh, well ...Von PZF85JAlthough a litte early for that it's a nice Christmas story. Nothing more, nothing less.The beginning is very typical "Longmire", slow paced and introductory. I have always liked that in Mr Johnson's Longmire books. At the very end of the story it becomes hurried. There could have been some more pages written to make a decent fade out. And "inbetween" - absolutely nothing out of the ordinary. It has been written and read thousandfold.I wouldn't put this book in a row with the "normal" Longmire books, it's more of a short story (not pricewise) and fits quite well in

the other "Longmire specials" sold for 2 or 3E. I have bought one or two of those, but I wouldn't do that again. I cannot get rid of the impression that Mr Johnson uses the remnants of his "normal" writing to make an extra buck. Good writers deserve the money they make, so does Mr Johnson. However, that shouldn't be exaggerated. Would I buy the book again? Probably not.

Kurzbeschreibung A Christmas novella for fans of the hit drama series LONGMIRE now on Netflix and the New York Times bestselling series. Craig Johnson's new novel, *The Western Star*, will be available from Viking in Fall 2017. Sheriff Walt Longmire is in his office reading *A Christmas Carol* when he is interrupted by a ghost of Christmas past: a young woman with a hairline scar and more than a few questions about his predecessor, Lucian Connally. With his daughter Cady and undersheriff Moretti otherwise engaged, Walt on his own this Christmas Eve, so he agrees to help her. At the Durant Home for Assisted Living, Lucian is several tumblers into his Pappy Van Winkles and swears he's never clapped eyes on the woman before. Disappointed, she whispers *Steamboat* and begins a story that takes them all back to Christmas Eve 1988 a story that will thrill and delight the bestselling series devoted fans. *Pressestimmen* Praise for *Spirit of Steamboat* A nail-biter. Publishers Weekly Johnson is a born storyteller, and he spins this old-fashioned adventure tale deftly. An extremely pleasant present for fans of this popular series. Booklist A suspenseful adventure story. Series fans along with adventure and Western readers will raptly devour the details. Library Journal Like flint to stone, the sparks fly and the humour is brilliant and barbed. . . Fresh Fiction Praise for Craig Johnson and the Longmire Series: Like the greatest crime novelists, Johnson is a student of human nature. Walt Longmire is strong but fallible, a man whose devil-may-care stoicism masks a heightened sensitivity to the horrors he's witnessed. Unlike traditional genre novelists who obsess mainly over every hairpin plot turn, Johnson's books are also preoccupied with the mystery of his characters' psyches. Los Angeles Times Johnson knows the territory, both fictive and geographical, and tells us about it in prose that crackles. Robert B. Parker The characters talk straight from the hip and the Wyoming landscape is its own kind of eloquence. The New York Times [Walt Longmire] is an easy man to like Johnson evokes the rugged landscape with reverential prose, lending a heady atmosphere to his story. The Philadelphia Inquirer Stepping into Walt's world is like slipping on a favorite pair of slippers, and it's where those slippers lead that provides a thrill. Johnson pens a series that should become a must read, so curl up, get comfortable, and enjoy the ride. The Denver Post A winning piece of work There's a convincing feel to the whole package: a sense that you're viewing this territory through the eyes of someone who knows it as adoring lover and skeptical onlooker at the same time. The Washington Post Johnson's pacing is tight and his dialogue snaps. Entertainment Weekly Truly great. Reading Craig Johnson is a treat [He] tells great stories, casts wonderful characters and writes in a style that compels the reader forward. Wyoming Tribune Eagle Kurzbeschreibung A Christmas novella for fans of the hit drama series LONGMIRE now on Netflix and the New York Times bestselling series.
