Von P.D. Singer : Spokes (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Spokes (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. unusual setting, heartwarming love storyVon FelizThis was really, really damn good.First, there was the Cycling thing. Bicycle racing on TV used to put me to sleep. Yes I was aware cycling is a bone hard sport and the cyclists are the toughest,craziest guys, but this book made me feel it. I probably still won't watch TDF on purpose, but now I will

understand what happens there - and I learned this without even realizing i did. But what made this book really unputdownable was the romance. Reading this, I've come to think I never really understood what "in the closet" meant before. Not even being able to comfort your loved one in the presence of others when you see him torn apart by grief... not being able to stand up for your lover when you see him wronged except in the most roundabout way... How Luca and Christopher managed anyway was a thing of beauty to watch. Add to that a great sense of place--whether we are in the Colorado mountains or the Austrian Alps-- well- written emotions and no-superfluous-word pacing, and this story left nothing to desire. Warmly recommended.

Kurzbeschreibung Pro cyclist Luca Biondi lives for the race. For the star of Team Antano-Clark, victory lies within his grasp if he can outdistance 200 other hopefuls, avoid suspicion from race officials, and keep his lieutenant more friend than foe. Luca also has secrets, and eyes for amateur cyclist and journalist Christopher Nye. Christopher understands Lucas need to keep their relationship under wraps, but chafes at hiding in the shadows of his lovers career. Hes ready to cheer Lucas victories, but he knows too well how triumph can turn to tears. While Christophers heart sees Luca the man, his inner journalist and his editor sees the cycling worlds biggest scoop. From the jagged curves of the Colorado Rockies to the viciously steep Belgian hills, Luca can ride out any bump except rumors about his loyalty. A few words in the wrong ear could crash everything. With miles between them, hints of scandal, and Lucas fierce need to guard his reputation, a journalist might have to let go of the biggest story of his career or risk forcing his lover to abandon the race. Christopher and Luca face a path more treacherous than any road to the summit in the Italian

Alps. **Kurzbeschreibung** Pro cyclist Luca Biondi lives for the race. For the star of Team Antano-Clark, victory lies within his grasp if he can outdistance 200 other hopefuls, avoid suspicion from race officials, and keep his lieutenant more friend than foe. Luca also has secrets, and eyes for amateur cyclist and journalist Christopher Nye. Christopher understands Lucas need to keep their relationship under wraps, but chafes at hiding in the shadows of his lovers career. Hes ready to cheer Lucas victories, but he knows too well how triumph can turn to tears. While Christophers heart sees Luca the man, his inner journalist and his editor sees the cycling worlds biggest scoop. From the jagged curves of the Colorado Rockies to the viciously steep Belgian hills, Luca can ride out any bump except rumors about his loyalty. A few words in the wrong ear could crash everything. With miles between them, hints of scandal, and Lucas fierce need to guard his reputation, a journalist might have to let go of the biggest story of his career or risk forcing his lover to abandon the race. Christopher and Luca face a path more treacherous than any road to the summit in the Italian

Alps. **ber den Autor und weitere Mitwirkende** PD Singer lives in Colorado with her slightly bemused husband, two rowdy teenage boys, and thirty pounds of cats. Shes a big believer in research, first-hand if possible, so the reader can be quite certain PD has skied down a mountain face-first, been stepped on by rodeo horses, acquired a potato burn or two, and will never, ever, write a novel that includes sky-diving. When not writing, playing her fiddle, or skiing, she can be found with a book in hand. If you can't find her, look in the rubble: the house may have collapsed from the weight of the printed page.
