Von Linda Lael Miller : Springwater (Springwater Seasons) before purchasing it in order to gage whether or not it would be worth my time, and all praised Springwater (Springwater Seasons):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Inspiring and entertainingVon Ein KundeI found this book to be a very entertaining little read. If you're looking for a complex plot or deep philosophical discussion,look elsewhere. This is pure entertainment for those days when your brain has

been used enough already! I also found that it inspired me to do my housekeeping, which is a minor miracle. I hate housecleaning, but reading how Evangeline "made-do" with the meager supplies and accommodations she had while being so isolated with her daughter gave me a new perspective. I'm looking forward to the rest of this series. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fantastic beginning of a new series!! Von Ein Kunde I am thrilled to recommend this book and all those that follow in the Springwater Series. Each one makes you anxious to pick the next to find out how the people in Springwater are doing. The mail-order bride concept of this time period has fascinated me. How did those women find the courage to go off into the vast unknown to meet a man that could very well be more trouble than they left behind. I can't wait to read Springwater Christmas that I just picked up in the store this weekend. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not Very Imaginative Von Ein Kunde First, I must say that romance novels are not my usual genre, but thought I would give this a read. I found this story very predictable and lacking in imagination. I was able to guess the ending about halfway through the book, and would have liked to have seen a few more twists in the plot, or at least a few that weren't so easily resolved. This struck me as a book that almost anyone who has read a romance or two could have written.

Kurzbeschreibung Evangeline Keating came west because she had to: after her husband's passing, she needed to build a new life for her young daughter, and marrying a stranger from Montana Territory was her best chance. After a difficult winter journey, she arrives at an isolated outpost called Springwater Station. But the handsome man who's come for her is not her husband-to-be, and Evangeline soon finds herself thrust into a most inconvenient -- and highly improper -- arrangement. Scully Wainwright never intended to be left alone with his ranching partner's fiancée. But his partner's not due back until spring, and he can't leave a defenseless woman and her child unguarded -- not with wolves and Indians threatening. Biding his time with the lovely Evangeline begins to feel dangerously close to setting up a real home. But as a reckless passion sparks between them, Scully and Evangeline discover a destiny -- and a passion -- as boundless as the open frontier.
