**Von Henry Miller : Stand Still Like the Hummingbird (New Directions Paperbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stand Still Like the Hummingbird (New Directions Paperbook):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. As Fresh As Flowers that bloom in the snowVon Michail KyrilThese highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature. If you think the New Thought movement has some Ancient Wisdom roots, you will enjoy this collection of stories and essays. If you have read, even

occasionally, Henry David (Thoreau), Ralph Waldo (Emerson), Uncle Walt (Whitman), this volume is for you. Henry Miller says nothing here either more offensive or less insightful than these three Transcendentalists who lived before him. Miller's genius for comedy is at its best in "Money and How It Gets That Way"-a tongue-in-cheek parody of "economics" provoked by a postcard from Ezra Pound which asked if he had "ever thought about money." Stand Still Like the Hummingbird provides a right and perfect metaphor for this outstanding collection, one of Henry's Miller's most luminous statements of his personal philosophy of life. Much of this book, while previously published, appeared only in foreign magazines or in small limited editions which have gone out of print. If you're an artist (starving or successful), you'll appreciate Miller's deep concern for the role of artist in society, in "An Open Letter to All and Sundry," and in "The Angel Is My Watermark." If you're a writer (struggling to be or already published), you'll find inspiration in words like these, scattered like gemstones--generous and true-throughout these pages: "...when you are convinced that all the exits are blocked, either you take to believing in miracles or you stand still like the hummingbird. The miracle is that the honey is always there, right under your nose, only you were too busy searching elsewhere to realize it. The worst is not death but being blind, blind to the fact that everything about life is in the nature of the miraculous." In short, there is much for many: timeless wisdom, not only for us still living "in this world," but also for us, who, like Henry Miller, have always suspected we are "not of this world."

Kurzbeschreibung One of Henry Miller's most luminous statements of his personal philosophy of life, Stand Still Like the Hummingbird, provides a symbolic title for this collection of stories and essays. Many of them have appeared only in foreign magazines while others were printed in limited editions which have gone out of print. Kurzbeschreibung One of Henry Miller's most luminous statements of his personal philosophy of life, Stand Still Like the Hummingbird, provides a symbolic title for this collection of stories and essays. Many of them have appeared only in foreign magazines while others were printed in limited editions which have gone out of print. ber den Autor und weitere Mitwirkende Henry Miller (1891--1980) was one of the most controversial American novelists during his lifetime. His book, The Tropic of Cancer, was banned in the some U.S. states before being overruled by the Supreme Court. New Directions publishes several of his books.
