Wonderful bookVon Ein KundeThis is the sequel of Behind Closed Doors, so you will meet characters of this book,

becoming protagonists now. It is quite similar to Behind Closed Doors, so it is recommendable. In Standing in the Shadows Connor McCloud tries to protect his ex-colleague's daughter, Erin, from the same criminals you know from the prequel. The story has various turns until it finally comes to an -predictable- happy end. In my opinion the story is a little bit too unreproducible, the bad guys are a tad too evil to be realistic characters. But it is like I said in my review to Behind Closed Doors: a book you don't really need. Nevertheless, it is like a cup of hot chocolate: hot, steamy, delicious and highly addictive. The cream on top of it is that you will come to know a little bit more about Connor's brothers, Dave and Sean, and we can expect to read about them in their own stories in the next months. So, if you want suspense and a hot love story (and a vast variety of quite explosive love scenes, too), buy this one. Five stars for it because the book comes up to my expectations about this genre of fiction. If I want a credible story and a boy-next-door-type-hero I won't go for this genre.

The hottest and newest in contemporary/thriller romance writers. McKenna started with BEHIND CLOSED DOORS (start with that book!!!!!!). You'll meet Raine and Seth there and you meet Connor McCloud as a secondary but memorable character (along with the other McCloud brothers - hope their stories come out soon!). This book is Connor's story of a love 10 years in the making. He has had the hots for his colleague's 17 year old daughter when he was 26. He waits 10 years but now fate has dealt both of them a vicious hand and against all odds, the two of them get together (and HOW!) and fight to stay together when threatened by the same dark forces that we met in the first book....can't say too much but just trust me and buy both books.....

Von Book Lover Dies ist der zweite Teil der "McCloud Friends" Serie von Shannon McKenna. In diesem Band geht es teilweise um die Fortsetzung von "Behind Closed Doors", hauptsächlich jedoch um die Liebesgeschichte von Connor McCloud und Erin, der Tochter von Ed Riggs, denen der Leser bereits im Vorband kurz begegnet ist. Der Handlungsablauf ist auch in diesem Roman sehr einfach und bersichtlich gehalten. Sehr viel gibt es dazu nicht zu sagen: Starker Mann versucht schwache Frau vor allen möglichen Gefahren, selbst vor sich selber zu schützen. Die Affäre zwischen Connor und Erin ist emotionsvoll, wenn auch manchmal etwas unglaubwürdig. Im Vergleich zur Liebesgeschichte des Vorbandes fand ich diese Romanze besser abgerundet und etwas gefühlsbetonter. Ich bin der festen Überzeugung, dass prickelnde, gut eingefelderte, strategisch und taktisch intelligente platzierte Liebesszenen in jedem Roman dieses Genres gehören. Der Autorin ist es deutlich misslungen diese ausschlaggebende Feinheit in ihren Liebesszenen zu realisieren. Die billigen, seitenlangen, zotigen und beinahe schon schlupfrigen Beschreibungen gehören meiner Meinung nach eher in die Rubrik "Erotica" und nicht unbedingt in die Kategorie "Suspense Romance". Kurzweiliges Lesevergnügen für eine anspruchslose Auszeit.

Kurzbeschreibung Ex-FBI agent Connor McCloud can never forget the day he was set up to die at the hands of trusted friend and fellow agent Ed Riggs. Hard justice and loyalty to his badge have cost Connor what he wants most--Ed's shy, studious daughter Erin. He can never have her now, but her beauty still haunts and torments his every waking hour and his most fevered erotic dreams. But now that his old enemy Kurt Novak has returned, Connor is prepared to do anything to protect the vulnerable young woman from a killer who has vowed a brutal payback. . . a killer with a predator's lethal patience. Erin has been harboring secret fantasies about Connor McCloud since she first laid eyes on him--but that was before his testimony sent her father to jail. Her world is falling apart and it's all she can do to hold her family together. But now Connor is knocking on her door, telling her she needs his protection, whether she wants it or not. He won't give up and he won't stay away. He's sworn to guard her life with his own and his fierce protectiveness awakens long-buried feelings--and a fiery sexuality deep within her soul. . . Pressestimmen "A top-notch page-turner you won't want to miss!"
