detailliert geschrieben wurde. Es liefert viele Informationen zu dem Geschehen und zu den einzelnen Personen. So wird z.B. erklärt, warum Obi-Wan Kenobi Anakin Skywalker als Schler annimmt und ihn trainiert. Zur Handlung: dem Jedi ritter Qui-Gon Jinn und seinem Schler Obi-Wan Kenobi wird befohlen, dass sie die Knigin Amidala von Naboo beschützen sollen. Diese möchte ein Ende der Belagerung der Trade Federation erreichen, in dem sie zum Senat geht. Auf dem Weg dorthin stranden die Beschützer von Amidala, die Knigin und einige Bedienstete auf dem Planeten Tatooine. In einem Laden treffen Qui-Gon und eine Dienerin der Knigin, den jungen Sklaven Anakin Skywalker, der davon träumt, zusammen mit seiner Mutter, dem Sklaventum zu entfliehen. Seinen Instinkten und anderen Fähigkeiten ist es zu verdanken, dass er überlebt. Jene Fähigkeiten nutzt er, um die Geschichte einer Galaxie zu beeinflussen. Mit der Zusammenkunft der Dienerin, Qui-Gon und Anakin beginnt eine neue Epoche von Star Wars. Wenn man diesen Band gelesen hat, hofft man, dass die anderen Episoden bald erscheinen.

Second best in a bunch of books that tend to be overblown and often lose me in yards of useless exposition. Terry Brooks does a wonderful job describing the characters and their situations. He creeps into the heads of the characters and helps bring them to life further in the way only an author can. Qui-Gon Jinn is especially vibrant. There are some inconsistencies. The end battles and swordfighting in the book is somewhat different, I think, from the movie's version; it includes many lines of dialogue cut from the movie (not that I'm complaining); Jar Jar seems more competent; and Brooks seems to be very vague on Queen Amidala's clothing. None of these significantly detract from enjoyment of this novel. Read it if you've seen the movie! You will not be disappointed.

His characterizations are clear (as are the special effects) and easy to recognize (a must when narrating a long story). Brooks does a great job in filling out the characters (something the movie fails to do) and you get a real sense of being there. The "race" was especially good. 9.5 hours. Well worth the purchase price.

Kurzbeschreibung A long time ago in a galaxy far, far away, an evil legacy long believed dead is stirring. Now the dark side of the Force threatens to overwhelm the light, and only an ancient Jedi prophecy stands between hope and doom for the entire galaxy. On the green, unspoiled world of Naboo, Jedi Master Qui-Gon Jinn and his apprentice, Obi-Wan Kenobi, arrive to protect the realm's young queen as she seeks a diplomatic solution to end the siege of her planet by Trade Federation warships. At the same time, on desert-swept Tatooine, a slave boy named Anakin Skywalker, who possesses a strange ability for understanding the rightness of things, toils by day and dreams by night of becoming a Jedi Knight and finding a way to win freedom for himself and his beloved mother. It will be the unexpected meeting of Jedi, Queen, and a gifted boy that will mark the start of a drama that will become legend.
