Von Aaron Allston : Star Wars: X-Wing: Mercy Kill before purchasing it in order to gage whether or not it would

be worth my time, and all praised Star Wars: X-Wing: Mercy Kill:

KurzbeschreibungThe X-Wing/Wraith Squadron books are one of the most popular series in the history of Star Wars novels. Now, the intrepid spy/pilots of Wraith Squadron are back in an all-new Star Wars adventure set in the time just after the events of the New York Times bestselling Fate of the Jedi series! Wraith Squadron was Wedge Antilles's boldest creation: a covert-action unit of X-Wing fighters, its pilots drawn from the dregs of other units, castoffs and rejects given one last chance. Now, years after their thrilling adventures during and after the Rebellion that destroyed the Empire, they're back to deal with a brand-new mission!

WerbetextThe X-Wing series follow the adventures of the best starfighter pilots in the New Republic's forces after the death of the Emperor.
