Walker Well, what have we got here? At first, today's Price (10 EUR) for this book with its few pages, seems quite a lot. Anyway, if you are into the Story revolving around Starcraft, this is definitely a must-have. The reason for it is pretty simple: you start reading, and instantly get put into the Action. By turning page after page, you meet many known characters, may remember many old references if you as well have read the other novels, and furthermore you get to know all those characters in a way you have not had the Chance yet. I personally liked the style of writing, and it took me only a few hours without some real breaks to get through this book; could not put it aside before i had finished it. Sorry if the writing may seem a little unprofessional by the way, my browser is correcting my writing based on the German language. Für alle etwaigen Leser die die deutsche Sprache bevorzugen: Abgesehen von dem doch recht hohen Preis, der jetzt, da ich diese Rezension verfasste mit 10 EUR für eine Kindle-Edition in meinen Augen doch recht hoch angesetzt ist, haben wir hier ein Buch, welches einmal in die Hand genommen, kaum mehr weggelegt werden kann. Der Grund dafür ist recht simpel: kaum das man beginnt zu lesen, wird man bereits in die Handlung gezogen, trifft dabei gut ausgearbeitete, bekannte Charaktere wieder, die man im Buch auch in Facetten kennen lernt, welche man so vorher vielleicht nicht wahrnehmen konnte. Ebenfalls erfährt man wirklich einiges interessantes zur Vergangenheit zwischen James Raynor und Sarah Kerrigan - was ich hier jedoch nicht zu spoilern beabsichtige. Alles in allem eine Empfehlung, zu fünf Sternen fehlt derzeit nur ein "angemessenerer" Preis, der aber mit Sicherheit in nicht allzu ferner Zukunft noch realisiert werden wird. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Besser als erwartet Von Aeternimus Das Buch liest sich außerordentlich gut und die Autorin vermag den Charakteren glaubwürdig Leben einzuhauchen. Für mich am überraschendsten war der sehr gefühlvolle Umgang mit den komplexen Gedanken und Beziehungsgeflechten der Protagonisten, allen voran Jim Raynor und Sarah Kerrigan. Auch die Nebencharaktere wie Matt Horner und Valerian Mengsk gewinnen deutlich mehr an Tiefe. Das Buch wird Fans definitiv begeistern und liefert mehr als nur bloßen Fanservice. Empfehlenswert!

Kurzbeschreibung The explosive novel based on the eagerly anticipated StarCraft II video game expansion, Heart of the Swarm! The sinister zerg leader no longer commands her legions of bloodthirsty aliens against the humans of the Koprulu sector, all thanks to the combined courage and tenacity of Jim Raynor, General Horace Warfield, and a mismatched team of Dominion soldiers and outlaw rebels. Although the queen is no more, Sarah Kerrigan is very much alive. The woman who once controlled countless alien minds in a rampage across the stars has been spirited away by the man who dethroned her. Now Arcturus Mengsk's Dominion armada is on her heels, roaring for blood. Jim Raynor will need to test his strength, his wit, and his loyalties against impossible odds to protect the woman he loves. StarCraft II: Flashpoint bridges the events that take place in StarCraft II: Wings of Liberty and the upcoming StarCraft II: Heart of the Swarm. Featuring never-before-seen glimpses into Jim Raynor and Sarah Kerrigan's past, this novel opens a window into a world of passion, action, and adventure.
