Von Peter Carroll : Stark Contrasts (An Adam Stark novel Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Stark Contrasts (An Adam Stark novel Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Terribly

written Von Nina Holder What a disappointment! I didn't expect anything grand, but simply a decent detective novel. 'Stark Contrasts' is badly written, sexist, and full of cliches. Skip it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Starker Beginn ! Von Mittelalterfreak Fesselnde Story und ein interessanter neuer Detective. Glücklicherweise gibt es schon weitere Stories mit Stark. To sum up - great stuff

Kurzbeschreibung DI Adam Stark is a cop from a small, Scottish town working in the biggest of all English cities London. He's been seconded to a specialist murder squad, but he's not convinced the rat-race suits him. Meanwhile, a concerned citizen has also had enough of the inconsiderate people around them and decided it's time to teach them some lessons forcefully. As punishments escalate in severity, and the press make a champion of this anti-hero, Stark is trying to make sense of what's going on. Random, unconnected victims, excessive retribution, red herrings, kidnap, mutilation, mistaken identity, gangsters, revenge and murder: things are getting totally out of hand. Stark needs to stop this sociopath with a social conscience, but the case is so bizarre, it might just be running away from him.

ber den Autor und weitere Mitwirkende Biography Peter is a Scottish person who's nearer fifty than forty now and has no idea how that happened! He's been married for a long time and has one daughter. When finances and time permit, he travels the world in search of birds and other wildlife and is a committed conservationist. As a self-taught bassist, saying he's a musician may be stretching it, but he has a go now and again. Literary influences include Christopher Brookmyre, Stephen King and Irvine Welsh, so expect bad language, violence, black humour and significantly fewer adverbs than most...oh... So far, he has six novels published. You can connect with Peter on his website at www.petercarroll.ravencrestbooks.com Twitter @PeterCarroll10 and Facebook at www.facebook.com/PCNovel1
