Did Mason Imprint On Joni?Von Ingrid Stephanie JordanTitle: Starstruck ShifterAuthor: Kim FoxReviewer: Stephanie JordanI laughed a lot with this Bear Shifter book the heroine had a way with talking. Lol Snapple lol have to remember that when I'm ready to cuss in front of my grandkids. This is a completely different shifter book from any

other I've read. Just a little romantic tale, Loved it, was very refreshing. Mason Maloney is a Bear Shifter and a Hollywood Actor who has had several flopped films. Of course you know Hollywood once you start aging unless you're a sought-after actor you do commercials or nothing. And Mason was not sought-after anymore and he needed money, he was broke but he still had a lot of responsibilities to take care of. Then he saw her, so beautiful! After waiting all these years, finally she's here. Joni Meyer was a fresh out of college graduate for film director it is her passion because that's what she wants to be. Joni was so excited when they hired her on the set of Mason's movie but then they gave her a garbage bag and told her to go around the set picking up cans and bottles. This is what she went to college for?? Then there he was bigger than life and he's talking to me. Mason Maloney asked me for help, Ohhh yes I'll help!!!! I was gifted this ARC for an honest and truthful review. Kurzbeschreibung Mason is an action star on the tail end of his career and the good roles are getting as scarce as his disappearing paychecks. His agent wants him to date his hot coworker Gisella to boost his image but his bear has other plans when he bonds with Joni, the new intern on the set of his latest blockbuster movie. Joni is a self-proclaimed dork. Well actually, everyone else proclaims it. She is thrilled when she gets a job on the set of a movie featuring Mason Maloney; her lifelong crush with the perfect abs that she's drooled over since puberty. But will she be able to handle it when the hot bear shifter unexpectedly turns his attention on her? But not just the movie and their hearts are on the line. Something very important to Mason is relying on the success of this film. Will he be willing to give up his newly found mate or will everything he's worked for come crumbling down? Standalone Book. No Cliffhanger. HEA.
