KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. absolut empfehlenswert!!!Von Kindle-KundeDas Buch hat mich von Anfang an in seinen Bann gezogen. Auch war nicht alles

vorhersehbar, wie so oft bei diesem Genre. Natürlich kann man manche Entscheidungen von den Hauptcharakteren nicht ganz nachvollziehen, aber - was soll's? Ein Buch soll unterhaltsam sein, und das war es definitiv! Die Story ist flüssig, spannend und gefühlvoll. Ich hole mir gleich den nächsten Teil! 1 von 2 Kunden fanden die folgende Rezension hilfreich. Nicht schlecht, könnte besser sein. Von Cassie Wie bereits geschrieben wurde: es geht zu schnell mit der "action" los und es ist zu viel Drama und zu wenig vom Gefühlsleben der Hauptcharaktere in der Story. Trotzdem ist sie ansatzlos und vor allem flüssig zu lesen.

Bellamy Carmichaels finally come home after staying away for six years. There's just one problem, Luke Carter. Six years ago she seduced him, but a realization had him turning his back on her and became the cause of her long exodus. But with her brother's imminent deployment Bellamy knows she's bound to see him. Luke Carter made the mistake of crossing a line he never should've crossed six years ago. He knows he's the reason why Bellamy avoids home, and with her coming back home he's hoping to make things right. He just wasn't expecting her to look so damn beautiful. However, there's one more problem, Bellamy's been keeping a secret from Luke for past six years. When passion builds between them she knows that she must tell Luke the truth, but will it bring them closer together? Or will it drive them apart for good?
