KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Shay always writes good romancesVon Ein KundeIn Catasaga Lake, New York, head helicopter pilot Spencer Keagan is upset because his recent medical rescue failed and the patient died. The last thing he needs is to meet a female "suit"

whose Castle Foundation may sponsor a new helicopter. Immediately, Alexis Castle and Spencer dislike one another. Alexis suffers from an ulcer caused by her being the heir to her father's empire. She has come up to the lake on a vacation to heal her stomach and improve her terrible relationship with her teenage daughter. Coincidentally Spencer's neighbor is the cousin Alexis staying with. Like Alexis, Spencer is also barely on civil terms with his father and his adult son. As the summer moves along, Spencer and Alexis fall in love, but more importantly, discover the true meaning of family. FINALLY A FAMILY is a warm relationship drama that highlights the interchange between three generations of two dysfunctional families. The lead characters, their fathers, and their children behave like real people struggling to find a connection between one another. Kathryn Shay, whose firefighter series was a blazing success, scores with another triumph that echoes the need of love and understanding to forge a bonded family. Harriet Klausner

Kurzbeschreibung***Authors Note: The original title of STAY WITH ME was FINALLY A FAMILY. The book has been updated and given a new title. KSNEW YORK TIMES bestselling author Kathryn Shay delivers heartfelt family scenes, a look at the real-life, day-to-day working of a medivac helicopter and a unique perspective the healing power of forgiveness. Kathryn Shay would like to thank Mercy Flight Base in Canandaigua, New York, which served as the basis for her research for this book. She is grateful for all the hours the dedicated pilots, paramedics and staff spent with her. Guardian Flight Base, a search and rescue air ambulance service, needs another helicopter and Alexis Castle has come to Catasaga Lake to see if her company, Castle Industries, deems them worthy of grant money. She soon finds out that they are very deserving, but not before she falls in love with their head pilot, Spence Keagan, a set-in-his-ways, untrusting man. Both Spence and Alexis know getting involved smacks of impropriety, but they can't help themselves. They're further bound together when their two kids, both of whom are estranged from their parents, form a bond of their own. Complicated and intense, this relationship sets the stage for some high powered action and passionate love scenes. "One of the best features of this romance is the authentic air ambulance/search and rescue backdrop. I enjoyed reading this family focused romance." Muse Creations "Shay's research is, of course, extensive, but she doesn't beat you over the head with it. The details of what it is to be part of a helicopter rescue team are there, but more importantly, her characters make it all human." All About Romance "Kathryn Shay scores with another triumph that echoes the need of love and understanding to forge a bonded family." The Best sChoose from these other Kathryn Shay stories with romance and family relationships, the power of healing and the redemptive force of forgiveness: JUST ONE NIGHT, MICHAELS FAMILY, TIES THAT BIND, TRUST IN ME and THE PERFECT FAMILY
