Von Lexi Blake : Steal the Light (Thieves Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Steal the Light (Thieves Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. not bad, but too many side issuesVon Hoener, BirgitA human thief, with her team of vampire, werewolf and witch, agrees to steal something for a demon. What should have been an easy job starts to go wrong, however, and her soul and that of her ex-boyfriend-now-vampire are in peril.The plot is not bad , there are elements of humour and witty dialogues in this story, and the narration style is not bad either. For some reason, however, I could not really get into this story.

Maybe the love triangle between the thief, the vampire and another attractive male elf was what did put me off a bit (I do not like triangle problems), also the hot/cold mix between her and her ex-boyfriend, now a super vampire, was a bit much in my opinion. I would have preferred either a love drama romance, or a funny supernatural thief gang story, but not both mixed up. I did give 3 stars, as, like I said, the story and the narration were not bad, the plot just was not my kind of book.

Kurzbeschreibung When dealing with demons, the devils in the details Stealing mystical and arcane artifacts is a dangerous business, especially for a human, but Zoey Wharton is an exceptional thief. The trick to staying alive is having friends in all the wrong places. While having a witch and a werewolf on the payroll helps, being partners with a vampire really opens doors. Zoey and Daniel were childhood sweethearts until a violent car crash took his life and left her shattered. When Daniel returned from the grave as a vampire, his only interest in Zoey was in keeping her safely apart from the secrets of his dark world. He has vowed to protect her, but his heart seems as cold as the night he calls home. Five years later, a mysterious new client named Lucas Halfer offers Zoey a fortune to steal the Light of Alhorra. The search for the Light leads Zoey into the arms of an earthbound faery prince. Devinshea Quinn sweeps her off her feet, showing her everything the supernatural world has to offer, but Daniel still calls to her heart. As the true nature of the Light is revealed, Zoey discovers Halfer is a demon and much more than money is at stake. Per her contract, she must give him the Light or spend an eternity in Hell. What's a girl to do except fight for her soul and her heart.
