Von Tracy MacNish : Stealing Midnight before purchasing it in order to gage whether or not it would be worth my time, and all praised Stealing Midnight:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. EnjoyableVon Helen Hancox'Stealing Midnight' was definitely a cut above the recent run of historical romances that

I've read. The main reason being that its hero and heroine came across as real characters with flaws, strengths and believable conversations. The author was also able to write a convincing love story where the reader can believe in the romance and appreciate it. The story starts in rather a gothic manner with two corpses being dug up by resurrectionists and taken to a mysterious Keep in Wales where they are going to be dissected. We meet Olwyn Gawain, a young woman who has to work for her mad father as he works on dead bodies to try to find the spark of life. When Olwyn realises one of the corpses isn't actually dead, merely in a coma, she decides the time has come to escape for good and to take this man with her. When duke's son Aidan Mullen wakes up naked in a mud-floored hut with a woman wearing odd garb he's not sure if he's travelled backward in time. However, he soon discovers what's going on and agrees to help Olwyn to get away from her father. Aidan is engaged to a society woman but somehow can't get Olwyn out of his mind. When he takes Olwyn to his home with his family - and his fiancee - he doesn't realise the danger that might be coming to the household. But is the special relationship developing between him and Olwyn more important, and can he get out of his engagement? I did very much enjoy this story, both the setting and the writing style. The plot didn't always entirely work, particularly with regard to Olwyn's tendency to behave rather recklessly, and the historical accuracy suffered in terms of modern American dialogue at times, but overall it was a very good read with a convincing love story and an interesting cast of characters. Kurzbeschreibung Set in the English countryside, this exquisite new novel by Tracy MacNish reveals how one woman's courage wins her the love she never dreamed she'd find. While Olwyn Gawain lives as a virtual prisoner in her home, her scientist father conducts chilling experiments on stolen corpses in the dungeon of their keep. One night, Olwyn is shocked to discover that her father's latest subject, a breathtakingly handsome young man, is still clinging to life. Refusing to let him die, Olwyn stops her father at gunpoint and flees, determined to bring the innocent man to safety. The son of aristocrats, Aidan Mullin doesn't know what to make of the unusual, intriguing Olwyn. But as the pair make their way toward Aidan's home, he finds himself drawn to the alluring young woman who saved him from certain death. Fiery and sensual, Olwyn's very touch fuels a desire in Aidan too fierce to deny. But when Olwyn learns he is hiding a heartbreaking secret, Aidan must face a difficult choice or risk losing forever the love he so desperately needs.
