Von Vivian Lux : Steel My Heart (Motorcycle Club Romance) (The Sons of Steel Motorcycle Club Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Steel My Heart (Motorcycle Club Romance) (The Sons of Steel Motorcycle Club Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. It isnt

just another biker story. Von Kindle-Kunde Lux' *Steel My Heart* isn't just another story about a biker and his motorcycle club. It is one of the few stories I read about an Afro-American male protagonist that issues race and racism in the US. I really liked the context of the story and the balance between the single storyline and the different background stories. Lux doesn't stress one issue over the top. While Emmy has to deal with an abusive relationship, J has to handle his life after jail and probation. Lux' writing style is detailed and vivid. Her choice of narration is special. While Emmy tells the story in first-person narrative, J's point of view is written in third-person, authorial perspective. Different from other stories their narrations don't alternate from chapter to chapter. The chapters with J's narratives are rare but placed very smart.

Kurzbeschreibung Emmy I'm not a fighter. I'm a shy, curvy good girl who does what she's told. Abused, battered and beaten down by those who say they love me; I've spent my life being the perfect victim for the powerful and the cruel. J. taught me that love is worth fighting for. And now I am ready to fight back. J. Keep your head down. That's what they told me when I got out of prison and again once I finished my parole. And I meant to do that, I swear. I had my brothers, The Sons of Steel Motorcycle Club at my side. I had a mission and a sense of pride. I wasn't looking for a fight. But meeting Emmy turned that all on its head. She's too damn beautiful not to fight for, no matter what it costs me. Whether it's my freedom, or my life. She's worth it. Kurzbeschreibung Emmy I'm not a fighter.
