KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Nicht schlecht, aber.... Von NaamirahWarum immerhin 3 Punkte?Der Schreibstil ist okay (hab schon schlechtere gelesen). Die Sexszenen ansprechend (das ist natrlich Geschmackssache und etwas weniger inflationr das *c*- und/oder *f*-

Wort benutzt, hätte auch nicht geschadet). Die Charaktere, bis auf die Hauptperson sind einigermaßen glaubwürdig, dafür wurde mehr oder minder erfolgreich versucht ihnen durch Hintergrund- und Lebensgeschichte Tiefe zu verleihen. Manches dabei etwas sehr clichéhaft, über the top, aber gut...kann man machen. Warum aber nur 3 Punkte? Ich verzeihe in dem Genre eigentlich relativ viel, wenn mich die Liebesgeschichte berzeugt. Klar darf bei einer klassischen Romance story natürlich auch das unrealistische Herauszoomen des Happy ends nicht fehlen: Miverständnisse müssen beseitigt, Irrungen Wirrungen durchlebt und Moralvorstellungen über den Haufen geworfen werden. Steplover treibt das allerdings auf eine unsexy Spitze. In zwei Stufen zusammen gefasst: Die beiden Hauptfiguren haben das ganze Buch über immer wieder eine Menge Sex, den er initiiert, wenn er sie gerade nicht mies behandelt. Er verschwindet 2x wortlos für jeweils 1 ganzes Jahr (!!!) während sie leidet. Generell kann sie sich seiner animalischen Anziehungskraft einfach nicht entziehen und verzeiht egal was er ihr auftischt. Es sind ja auch nur die doofen Umstände, die ihn zum verschwinden zwingen. Auch in den Armen anderer versucht er nur zu vergessen wie lieb er sie hat. Da klingeln bei mir die Alarmglocken und man wünscht der Hauptfigur irgendwoher ein Quentchen Selbstachtung. Aber selbst die beste Freundin kann dabei leider nicht helfen...die darf dafür aber dann im Folgeband ran. Danke, ohne mich. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Aria + Blade Von Minelli Zuerst mal muss ich sagen, dass ich definitiv das zweite Buch lesen werde, welches die Geschichte von Melanie und Brody erzählt. Ich mag ja dieses Stepbrother-Genre mittlerweile und bei diesem Buch muss ich sagen, dass es nicht nach dem selben Schema wie sonst ablief. Die Protagonisten waren der gleichen Meinung, nämlich dass ihre Beziehung falsch ist (BS meiner Meinung nach). Ich kann nicht mehr als zwei Sterne geben, weil ich erstens die Handlungen der Protagonisten nicht verstehe. Die zwei sind so bescheuert. Jetzt mal ernsthaft... "Nein es ist falsch" - Knick Knack, "er hat mich schon wieder verlassen", "wir stehen uns gegenseitig nicht im Weg" Knick Knack...Zweitens, hier wurde dermaßen viel Drama heraufbeschworen, es war schon fast peinlich. Ich meine, da finden sie ENDLICH zueinander, kommt neuer rger. Als hätten wir davon noch nicht genug gehabt. Was mich auch noch gergert hat war, dass er ihr alle möglichen fiesen Sachen am Anfang ins Gesicht schleudert und sich nicht einmal dafür entschuldigt. Nein, sie muss schon mit ihrer Vergangenheit sein Mitleid erregen, damit er normal zu ihr ist. Ich möchte allerdings sämtliche Nebenprotagonisten. Fazit: Im Stepbrother Genre eher schwach, dennoch wollte ich wissen wie es weiter geht und will auch Mels und Brodys Story lesen, also kann es nicht so schlecht gewesen sein. Habe einen Fehler gefunden. Bei einem der Rückblicke wird gesagt: I screamed his Name. Was hat sie denn da bitte geschrien? Sie hatten noch nicht ihre Fake-Namen diskutiert und ich gehe nicht davon aus, dass sie "Mystery-Guy" geschrien hat...0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely swoon-worthy Von Little Darling Its not a secret that Im a huge Bella Jewel fan its bordering on obsession. Ive read everything she published so far and loved it, but Step-Lover just blew me away. It gave me so many feels and made my heart ache so badly for the characters. Ive read it in one day and just couldnt get enough. I needed to know whats going to happen and I just couldnt leave the characters behind. Aria, a young woman meets the perfect guy. Or so she thinks. She spends a wild and passionate weekend before he vanishes from her life. A year later she meets Blade again to her surprise and shock hes now her step-brother. Talk about awkward. What makes things worse is that she still has the feelings for him she did a year ago, only now she cant act on them because she doesnt want to hurt her mother and jeopardize her mothers happiness. But dealing with her emotions isnt easy and its made harder by the fact that Blades behavior is giving her whiplash. He goes from being a total jerk to being sweet and caring in a nanosecond. And as if that wouldnt be enough to drive any girl insane, she also has to deal with having a new family a family she cant let in due to guilt and pain that she carries around with her since her childhood. When the past repeats herself and her heart gets broken by Blade yet again, she is willing to move on, to leave Blade behind. But those two are like magnets. They cant be without each other. True love doesnt care about right or wrong, appropriate or not. I loved Aria. She was sweet and fun despite being haunted by her past. She was smart and strong, but still allowed herself to be emotional and vulnerable. It was easy to understand her pain and her torment both about Blade and her new family. The way the guilt had a grip on her, nightmares not letting her forget what happened, was intensely heart-wrenching but honest. When you go through what Aria went through, you keep your heart guarded and are scared of letting anyone near. Therefore, it was even more meaningful, when she slowly started to accept her new family her step-father Jake and her step-brothers Brody and Ripley. The torture she felt being around Blade, the feelings she couldnt show, his sometimes cruel behavior, made my heart break for Aria. And just when I thought she couldnt be faced with more drama and heart-ache, Bella Jewel proved me wrong. I also adored Blade, although I often felt the urge to punch him. Hard. He could be so sweet and caring, while still being all manly and hot that it made my toes curl and my heart thump like crazy. But then he would do something that made me want to strangle him. One minute he was all hot, the next he was cold as ice. I get that he was just as confused as Aria. Not only about seeing the woman he spend an incredible weekend with suddenly turn into his step-sister, but also about confronting his own feelings and figuring out if hes capable of more than just a fling. Bella Jewel has done an incredible job of portraying how he was fighting himself over his feelings and over his loyalty to his father. Amazing and so intense. Thats why I couldnt stay mad at him for long. It was obvious he didnt want to hurt Aria. He just didnt know what else to do. And the fact that hes sexier than sin helps to forgive him some of his transgressions as well. I loved how the story captivated me, how the back and forth and the tension between the characters kept me reading at

lightning speed to find out what happens next. There was so much depth and beauty in the story. It was incredible. It wasn't just about love and sex (really great sex by the way), but also about guilt, moving on, letting go, finding your own place in life, standing up for what you believe in and acceptance. The supporting characters were fantastic and I hope each and every single one of them gets their own book. I wish I could go back in time and read it again for the first time. 5+ you-always-meet-someone-twice stars.

Kurzbeschreibung A STEPBROTHER ROMANCE Intended for mature audiences only I met him before I knew. I loved him before I knew. I didn't know he was my stepbrother when I fell for Bladen. I fell for a mystery guy who I spent a long, amazing weekend with. Then he got up and left me, without even a goodbye. I was nothing more than a bit of fun. He broke my heart. I didn't see him again. Until my mom and her new husband, Jack, decide to take us all on a family vacation to the lake so I can meet my new stepbrothers for the first time. I don't see it coming. When he gets out of that car, my world stops. My passionate lover is my stepbrother. He isn't the same man. He's a prick and he makes sure I know it. I'm not the same woman. I'm in love with him and I very much plan to make sure he knows it. He won't make my life easy. I won't give up.
