**Von Veronica Daye, Liliana Rhodes : Stepbrother Bad Boy (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stepbrother Bad Boy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great story with abrupt storychangesVon HallaI really enjoyed reading this book. It was not on of those pushed close to porn books. It was a light read with great characters. I do believe that the author could have extended the book quite a bit. Most parts are written very well but then there is those sudden changes and jumps within the story that actually annoy

the crazy out of you because you wanna know more and you want more details about the thoughts and emotions of the person at the time. So dear Veronica Daye - please write longer books. You write so well - I want more of it in one story.0 von 0 Kunden fanden die folgende Rezension hilfreich. Da fehlt die Hälfte Von Minelli Seltsames Buch. Ich hatte den Eindruck, dass einfach große Teile der Story gefehlt haben. Zum Beispiel diese Alpträume, das wurde immer mal kurz angeschnitten aber nie aufgelöst. Die Mutter sagt irgendwas über den Vater, von wegen mit ihm zu leben wäre schlimmer als mit ihr oder so. Das wird ebenfalls nicht weiter erlutert. Leider zieht sich das durch das ganze Buch. Das Ende war auch ganz komisch. 2 Sterne weil ich schon schlechteres gelesen habe. Aber wenn man schon Stepbrother lesen will, dann bitte nicht dieses hier.0 von 0 Kunden fanden die folgende Rezension hilfreich. Nett geschrieben, aber irgendwie fehlt etwas... Von CAEigentlich ist die Geschichte nett geschrieben und unterhaltsam, aber trotzdem fehlt auch irgendetwas. Es wird angedeutet, dass etwas mit der Heldin als Kind passiert ist, aber was genau, wird nicht erzählt. Vielleicht muss es auch nicht sein, aber ich hätte gerne mehr erfahren. Trotzdem ist die Geschichte nett und gut zu lesen.

Kurzbeschreibung "He was everything I wanted, but the one I couldn't have." Top 50 Bestseller Back in high school, Shane Ventana was the sh\*t. I mean he was hot, popular, mysterious, the ultimate bad boy. I swear the guy could wet panties by just cocking his brow. Not that his cock or his brow were anywhere near me, Shane didn't know I existed. But there I was, busy with my daily Shane stalking in the halls when the unthinkable happened--my dad eloped with Shane's mom. And to make matters even worse, Shane took it out on me. My life couldn't get worse, right? Wrong! I fell in love with him. I mean there he was, my dream guy, in the room right next to mine. I couldn't help myself. But who falls in love with their stepbrother? Don't answer that. Just trust me, everything was perfect. Well, it was perfect until he left. But life likes to screw with me and just when I thought I was over him, I heard the words that made my heart start beating all over again--Shane is coming. Stepbrother Bad Boy is a standalone novel. It contains adult content and a stepbrother who likes to talk dirty. Kurzbeschreibung "He was everything I wanted, but the one I couldn't have."
