Stepbrother Fixation...hmmm just ok Von MicWell, this was a nice idea, but too rushed and way too less information on the background. It felt the whole time like there should be more coming but then everything happens and I thought wow this is going way too fast and I still had so much pages ahead of me...this could not work out. Well it did not

really work out for me, because the entire time it's too superficial. You can guess what's going to happen..which is not too bad, but I wished it had some depths and turns and more time to build up the tension...it just added up really quick. So ...ok from me and three stars. And then just as I thought at the end...wow that was fast...you get a surprise..there is another story. "Protect and Serv" ...it's a full length novel....but as short as the first one and just a little bit better. Still too fast and not enough information to build a lasting story. 0 von 3 Kunden fanden die folgende Rezension hilfreich. Steamy and heartbroken Von glaukalt was wonderful...So beautifully written. I loved every second reading it. Maddy is a realistic character...as for Preston, girls like to dream.

Kurzbeschreibung Madison I can't be doing this Not now Not with him. He is a wealthy jerk. He's the living symbol of everything I hate in this world. I wouldn't sleep with him if he were the last person on Earth. Except I just did. And I want to do it again... And again... Preston We are so f**ked. Our parents are engaged for Christ's sake. Somebody is going to find out we're doing this and there will be hell to pay When I gave Madison a job as my personal assistant, bent over my desk wasn't the position I had in mind for my soon-to-be-step And now I can't stop. I can't ever stop I want this And a billionaire always gets what he wants. (New edition with all new bonus content!) Kurzbeschreibung Madison I can't be doing this Not now Not with him.
