Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Erotische Kurzgeschichte mit Herz Von Vio Cameron und Julie sind Stiefgeschwister, die einander zwar gern haben, aber oft auch oft auf die Nerven gehen. Als Julie mit einem Studenten ausgehen will, schenkt Cameron ihr Karten für ein Konzert ihrer Lieblingsband. Als Gegenleistung erwartet er von ihr eine Privatvorführung ihrer (Striptease-

)Tanzknste. Als Julies Date nicht so luft wie erhofft, ist es Cameron, der ihr zu Hilfe eilt. Wieder zu Hause, belohnt Julie Cam tatsächlich mit einem erotischen Tanz - aus dem, immerhin handelt es sich hier um eine erotische Kurzgeschichte, - schnell mehr wird."Stepbrother: Tease" von R. Nutt ist eine se, erotische Kurzgeschichte mit zwei sympathischen Protagonisten. Im Gegensatz zu vielen (Kurz-) Bchern aus der Erotikkategorie, die ihre Leser/innen mit offenem Ende ein wenig in der Luft schweben lassen, verspricht die Autorin ein "HEA", also ein "Happily-ever-after", und genau das bekommen die Protagonisten und wir als Leser/innen auch, was mich sehr gefreut hat. Die Geschichte inklusive der erotischen Szene ist einfach, aber dennoch ansprechend geschrieben, und da ich sowohl die Protagonisten als auch das Ende mochte, habe ich sie gerne gelesen. Mit einer Lesezeit von etwa einer Dreiviertelstunde kann man die Short Story auch dann lesen, wenn man nicht viel Zeit hat.

KurzbeschreibungMy step-brother Cam can't do one nice thing without turning around and doing something rotten. And unlike all the other women in his life, I don't give him a pass just because he's a handsome face with a hard body. When Cam surprises me with tickets to my favorite band, I foolishly think he might turn out to be a gentleman after all. I even told him I couldn't go because I had a date, but he said I should have my date take me instead. Aww, Cam! He's so sweet, right? Not so fast. In typical Cam fashion, he spoils the goodwill by asking for a scandalous favor in return: a private dance in my bedroom. And I'm so sick of his mind games, I'm tempted to call his bluff and let him have it. Just to see him squirm. But when my date pans out to be a total disaster, it's Cam who's still on my mind. And it's Cam who comes to my rescue when I'm desperate for a ride. And now I can't help but wonder ... have I had him figured wrong all this time? Is there some other reason why he's always teasing me? Or am I being set up for one of his mean pranks?***This is a steamy story about a studly, motorcycle-riding heart-breaker falling for the one girl he can't have. Approximately 14,300 words with a HEA. KurzbeschreibungMy step-brother Cam can't do one nice thing without turning around and doing something rotten.
