**Von Colleen Masters : Stepbrother Untouchable (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Stepbrother Untouchable (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. EnttuschendVon vali717Leider langweilig. Die Charaktere bleiben blass. Die Geschichte ist mehr als vorhersehbar. Das Buch Stepbrother dearest ist da, meiner Meinung nach,wesentlich interessanter.0 von 0 Kunden fanden die folgende Rezension hilfreich. Jaaa, war mal was anderesVon MinelliIch fand die Story rund um den Stiefvater gut.

Das war wenigstens Mal was anderes und deshalb hebt sich das Buch auch von allen anderen Stepbrother-Bchern ab. Mehr als 3 Sterne waren es trotzdem nicht, wobei ich Nate relativ hei fand. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good book with a few flaws Von Chicklit! I liked the books quite a lot but thought it had it's length. However it is worth a read if you like stepbrother stories!

Kurzbeschreibung Calling Nate Thornhill a rich, cocky, arrogant asshole would be an understatement. He also happens to be stunningly handsome, popular, intelligent, and captain of both the Crew and Lacrosse teams at UVA. I hate him for thinking hes untouchable not because hes a narcissistic, privileged, borderline-misogynistic heartbreaker but because hes right. His first words to me were at a Crew House party, and he literally invited me to have a threesome with him and a random girl. I couldve died from the embarrassment, he didnt even know my name at the time, and he didnt care to. After that night, I promised myself to never waste another second thinking about Nate Thornhill. My world becomes a nightmare when I realize my moms new husband Pierce has a son whos my age and hes a junior at UVA too. I cant believe my eyes when Nate walks over and sits down next to us at dinner, introducing himself like hes never seen me before in his life. Then I feel his hand on my thigh, underneath the tablecloth with our parents sitting across from us, inching closer and closer to my panties. My mind goes fuzzy, my heart starts racing, and my body does exactly what I dont want it to do. And then they hit me with the worst news of all Pierce has an internship lined up for me at his firm, and were going to live at his Eastern Shore mansion for the summer. Ill be sleeping down the hall from my new stepbrother arguing with him at every breakfast, sitting across from him at every dinner, watching as he brings an endless string of girls back to his room secretly wishing I was one of them. Stepbrother Untouchable is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content.
