Von Earlene Fowler : Steps to the Altar (Benni Harper Mystery) before purchasing it in order to gage whether or

not it would be worth my time, and all praised Steps to the Altar (Benni Harper Mystery):

KurzbeschreibungNinth in the Agatha Award-winning series that's been hailed as engrossing, Steps to the Altar finds California folk art expert Benni Harper preparing for two upcoming weddings, digging up clues to a decades-old unsolved murder-and struggling with a very personal crisis of the heart...From Publishers WeeklyIn a story sewn together as tightly as a traditional quilt, Agatha Award-winner Fowler delivers superior cozy entertainment in her ninth Benni Harper mystery (after 2001's Arkansas Traveler). In the California coastal town of San Celina, there are weddings and wished-for weddings, plus the threatened demise of Benni's two-year marriage to police chief Gabe Ortiz, brought about by the appearance of Gabe's former female partner, Del Hernandez. Just as Benni doesn't think she can keep one more plate spinning in her busy life, two crises crop up: first, Del starts deliberately going after Gabe and lets Benni know it; second, Benni is asked to inventory four trunks full of materials possibly related to the decades-old bludgeoning death of wealthy Garvey Sullivan. Though asked only to catalogue the items, Benni becomes fascinated by the potential murder charge against Maple Sullivan, Garvey's widow. Maple fled before her husband's body was found, but she's been found "guilty" in the town's conscience and gossip ever since. Will Benni solve the old murder? Will her marriage survive the lust of Del Hernandez and the come-ons to herself from an acerbic sheriff's deputy? Will her best friend, cousin and grandmother all make it to their respective altars, fulfilling the prophecy of the Steps to the Altar quilt made for one couple? The answers to these questions make delicious reading, with plenty of passion, snappy dialogue and a whiz-bang plot. KurzbeschreibungNinth in the Agatha Award-winning series that's been hailed as engrossing, Steps to the Altar finds California folk art expert Benni Harper preparing for two upcoming weddings, digging up clues to a decades-old unsolved murder-and struggling with a very personal crisis of the heart...
