**Von Kathryn Smith : Still in My Heart (Ryland Brothers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Still in My Heart (Ryland Brothers):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. nett!Von Sportpudelein interessanter plot und eine geschichte, die eigentlich noch mehr hergegeben htte.der held ist ein (fast)

geluteter alkoholiker mit einem durch einen unfall verkrüppelten bein, der augenscheinlich über die jahre emotional und auch moralisch gereift ist. er möchte mit seinem leben frieden schließen. die heldin ist eine durchaus intelligente sympathische figur, die mit allen möglichen menschlichen schwächen und nicht verheilten seelischen verletzungen zu kämpfen hat. also zwei wirklich ansprechende charaktere mit noch dazu guter handlung. warum also nur 4 sterne? ich persönlich hätte mir einfach noch mehr interaktion zwischen den zwei hauptfiguren, gewünscht, und dafür etwas weniger rahmenhandlung. ich finde die zwei hauptfiguren hätten es wirklich verdient noch tiefer entwickelt zu werden. trotzdem alles in allem ein ansprechendes buch.

Kurzbeschreibung Brahm Ryland is a man used to getting everything he desires... Another London season has just wound down and Brahm Ryland, Viscount Creed, is thankful for it. Since a horrible mistake ruined his betrothal to the beautiful Lady Eleanor Durbane, his life as a scandalous bachelor has grown tedious; every day without Eleanor seems longer than the last. But then a break in the monotony appears: an invitation to a shooting party at the home of Lord Burrough, Eleanor's father, and he knows his chance to make amends has come at last. Yet Brahm soon finds that Eleanor will need more than a simple apology to atone for his betrayal -- and after so many years of hurt it will take time and care to make her learn to trust again. When all her sisters warn her against him, she knows she would be a fool to give their passion another chance. But what Eleanor doesn't know is that London's boldest viscount will do anything -- anything -- it takes for a second chance at his one true love ...

ber den Autor und weitere Mitwirkende Kathryn Smith has always loved happy endings. From the bedtime stories her wildly imaginative mother told, to the soap operas she wasn't supposed to watch, Kathryn loved to speculate as to how the characters would end up. Needless to say the entire Smith household heard about it when things did not go as young Kathryn thought they ought. Through her school years, Kathryn wrote stories and books for her friends to read. Even during college, when she studied journalism, her need to make up her own tales often drove her to late nights at the typewriter, writing about sexy men and the women they fell in love with. Fortunately, Kathryn's idea of sexy has changed over the years. Instead of rock stars and spies she writes about lords and...well, spies. The best part is she gets to share these stories with a few more people than were in her homeroom class!
