Von Melanie Jackson : Still Life: A Supernatural Romance (Wildside Series Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Still Life: A Supernatural Romance (Wildside Series Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. 4th in the Goblin series is another delightVon Deborah MacgillivrayMelanie Jackson is a lyrical, poetic writer so strong on

imagery. I have long seen this in her writing from the first book I read of her, and this skill has lonely grown with each book. A good writer makes me "see" their story, not just read it, and few have such power to paint pictures as Jackson. She has done Historicals and paranormals, but she has really hit her stride with her Goblin series (Traveler, Outsiders, The Courier). They are original, fresh and I cannot wait to see what the Goblins destroy next! There tales are lush with ancient Celtic lore and myths, and Still Life - the fourth in the series - is another winner. I am hoping to see her Goblins one day destroy the Kentucky Derby or play havoc with the Highland Games. Surely, they are going to attack Venice...row, row, row your boats Goblin style!In the fourth tale, Nyssal Laszlo, suffers from amnesia, yet in her dreams, snippets of the forgotten past are coming to her. In these dreams, she discovers she had the power to project her mind. While researching ancient myths and lore, she discovers an ancient relic. Medieval monks presumed it was the skeleton of an angel, but Nyssal recognizes it for what it really is - the skeleton of one of them pesky smelly goblins. This triggers vivid dreams in Nyssal. She has an important role in the never-ending battle between man and goblin, but is unaware of this. With each projection of her mind, she grows more concerned she carries important information locked within her. She repetitively walks in her dreams into a portrait, a still life, rich in color and detail. And each time she returns to the still life, she discovers dark things, learns who she really is - whether she wants to or not. The Unseelie Court - bad faeries - had a long ago pack with the Goblins, and they fear Nyssal's dream projections. Abrial, is a dreamwalker and he is sent by Jack Frost to pursue Nyssal in her dream state. As Abrial follows her in this dream realm, he comes to love her, but in his heart, he fears their love is doomed. Inside Nyssal is a dark secret making her a target. Even her father would rather see Nyssal dead than reveal what is hidden deep within her. Abrial is a strong hero, the dark tormented Alpha male. The executioner for the Seelie Court, Abrial has so long lived without emotions, blocking them in order to live with the guilt of those deaths he caused. Nyssal's mind projection is able to break down his barriers, reach him. Jackson once again takes myths, legends and lore and skillfully weaves them into the struggle to save mankind from the Goblin menace. The pace is fast, the concept imaginative and fresh, showing Jackson is a paranormal writer who blazes her own paths through the Goblin Wood. Yes, there will be a 5th Goblin tale. A shame we have to wait until next year! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A darkness is rising Von Greystar Nyssa is able to dreamwalk to other places and ancient times. While on such a walk, she stumbles upon trouble and only by the help of the nightdemon Abrial is she able to escape. Together they travel to Cadalach, to find help and sanctuary there. But Nyssa needs to find out about her past, why the Hobgoblin seems to hunt her as well as humans and goblins. And about her dark protector, invading her heart and helping her to cope with some really horrible facts about her past. And a battle of the fey against goblins over her is only just one more problem. ** Fourth installment of the Lutin-Empire. You definitely have to read the first three novels to understand. You meet all the old friends - even my favourite dragon. The universe gets really very well defined, with its own history, aims and no black/white characters. It is a darker story, of strong and dangerous heroes, but for me, it is the best so far, as it seems, other writers are too afraid to imply that even darkness has its advantages. And that is something, Ms Jackson has shown here. Marvelous.

Kurzbeschreibung The fourth book in Melanie Jackson's Wildside Series. "Melanie Jackson is a talent to watch." -- WritersWrite.com Snippets of a forgotten past were returning to Nyssa Laszlo, along with the power to project her mind. Each projection thrust her into a glowing still life of color and time, and her every step led deeper into undiscovered country. Things were changing and dangerously so. She was learning who she was-- whether she wanted to or not. She was also learning dark things were on the rise. From the Unseelie faerie court to Abrial, the dauntless dreamwalker who pursued her, the curtain was going up on a stage Nyssa had never seen and a cast she couldn't imagine-- and it was the final act of a play for her heart and soul. If you are a fan of Laruel K. Hamilton you are going to love the sizzling romance and ghoulish thrills of Outsiders. EDITORIAL REVIEWS "Innovative and erotic!" -- Christine Feehan, New York Times Bestselling Author "An alternate universe that can match Laurel K. Hamilton." -- Everything Romantic An excellent combination of fantasy and romance." -- Romantic Times "Sizzling romance and ghoulish thrills at a breathtaking clip." -- Publishers Weekly ABOUT THE AUTHOR Melanie Jackson is the award-winning author of more than fifty novels, novellas and poems published in various languages. She lives with her writer husband, her bossy cat and spoiled dog in the Sierra foothills where it is almost impossible to grow pumpkins (or anything else the deer like). Besides gardening, she is involved with animal charities. Three times nominated for RT's Readers' Choice Award. Twice nominated for RT's Lifetime Achievement Award. *** If you're looking for other books in the Wildside Series, simply search for "Wildside Melanie Jackson".
