Von Sharon Shinn : Still Life with Shape-shifter (A Shifting Circle Novel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Still Life with Shape-shifter (A Shifting Circle Novel):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr deprimierendes BuchVon Avid ReaderWie alles von Sharon Shinn ist das Buch technisch gut verfasst, wenn mir auch

auf die Nerven ging, dass es in der Gegenwart geschrieben ist. Aber die Charaktere, die Geschichte, das Ende waren einfach nicht wie ich es von der Autorin erhoffte. Am Ende der Lektüre war ich traurig und enttäuscht. Würde diese Serie nicht mehr weiter lesen, aber hoffe, dass Shinn in Zukunft wieder zu ihrer Stärke - der Erfindung anderer Welten - zurückfindet.

Kurzbeschreibung National bestselling author Sharon Shinn presents a passionate, heart-wrenching story of secrets and the lengths to which we'll go to protect those we love...For her entire life, Melanie Landon has hidden the fact that her half sister, Ann, is a shape-shifter, determined to protect her from a world that simply wouldn't understand. When a man shows up asking about Ann who has been missing for months Melanie fears the worst, and with good reason. Freelance writer Brody Westbrook knows about the existence of shape-shifters and intends to include Ann in the book he's writing. While Melanie is immediately drawn to the stranger, she knows better than to trust him, and she denies his claim. But when Ann finally reappears, looking thin and sick, Melanie realizes exposure is the least of their worries. Protecting her sister has always been an enormous part of Melanie's life, but as Ann's health rapidly deteriorates, Melanie must come to grips with the fact that saving her may mean letting go. *Pressestimmen* Praise for the novels of Sharon Shinn: Filled with vivid details of everyday life, a strong and admirable heroine, and a plot with as many twists and turns as the mighty river that threads through the story. *Library Journal* (starred review) [A] rousing sword-and-sorcery romance. *Publishers Weekly* A chocolate truffle of a novel: richly indulgent, darkly sweet, and utterly satisfying. *Kirkus* (starred review) Shinn is a strong literary writer [and is] especially good at writing realistic characters. *SFRevu*
