Geschichte der Stones geht zu Ende Von Renate H. In dem vierten Teil muss Jake Stone, der lteste der Geschwister, seiner Jugendliebe helfen, eine verschwundene Zeugin zu finden. Als Bliss sich 13 Jahre zuvor von Jack getrennt hat, hat er Jahre gebraucht, um ber den Verlust hinwegzukommen. Wird er es schaffen, seinen Zorn zu berwinden, um den Fall zu lsen, oder gibt es noch Hoffnung fr die Beiden? Diese Geschichte ist gut geschrieben, viel Action, viel Gefhl, heier Sex. Die losen Handlungsstrnge aus den vorherigen Bnden werden aufgelst, die Beschreibung der Charaktere ist trotz der Krze gelungen. Die Handlung wirkt glaubwrdig. Obwohl jeder Teil fr sich alleine gelesen werden kann, empfehle ich, alle Bnde in der richtigen Reihenfolge zu lesen. Das garantiert das Lesevergnngen. Lisa Hughey hat mich als Schriftstellerin berzeugt. Eine Leseempfehlung fr alle, die gerne Spannung mit Erotik mischen, und ein Happy End wollen.

Kurzbeschreibung Still the One: Jack Stone, former Navy SEAL, and oldest Stone sibling is determined to keep his family strong. Family is everything. So he starts Global Humanitarian Relief and Stone Consulting to do some good and keep his family together. But when he has to team up with his old flame, Bliss, on a missing persons case, an evil threatens him, his family and the one woman he could never forget and doesn't want to let go. Can these two former lovers put aside past hurts and heal their hearts? Other Books in the Family Stone Romantic Suspense Novellas Stone Cold Heart: Jess Stone, former FBI sniper, always felt like the kid who looks in the candy store window but could never afford to go in. But on a humanitarian mission to aid an earthquake ravaged country, finally she finds a place where she belongs, in Colin Davies' arms, and working for Global Humanitarian Relief, her big brother's company. But can the former SAS thaw Jess's stone cold heart? Carved in Stone: Connor Stone has always been odd man out in his family. Not the oldest, not the most charming, he'd had a lock on the youngest until another half-sibling came to live with them, so he raised hell in his youth. Con knows now the only way to redeem himself is with deeds, not words and sets out to prove once and for all he is worthy of the Stone family. When his older brother asks him to take care of business, Con finally will have redemption he craves. Except when Ava Sanchez, his brother's assistant, is threatened, he must choose between saving the girl or protecting his family. Will his choice bring him love or break his heart? Heart of Stone: Riley Stone is the handsome brother, the charming one. Everyone who meets him compares him to his father, which in his mind is not a compliment. But he's never met a woman he couldn't charm, until he meets Di, an acerbic, smart-mouthed, passionate activist who has no time for him or his charm. On the run, in the midst of danger, the blistering passion they share explodes. Can these two opposites find common ground, or will Di smash Riley's stone heart? About Lisa Lisa Hughey has been writing romance since the fourth grade, which was also about the time she began her love affair with spies. Harriet and Nancy Drew and the Hardy Boys later gave way to James Bond and Lara Croft and Jason Bourne. Exploring the complex nature of a profession that requires subterfuge and lies fascinates her. She loves combining her two passions into fiction. As evidenced by her Black Cipher Files series. Archangel Rafe was her first foray into the paranormal but after spending time in the Angelic Realm, it won't be her last. At their heart, the Seven novels are about the dynamics of family relationships. But the really hot Archangels don't hurt. And recently she's been immersed in the Stone Family novellas, four stories about a blended family of brothers and sister who have a lot more in common than they realize. But of course she couldn't just write about family and romance. There are complex plots, bad guys, and suspense too. Lisa loves to hear from readers and has various places you can connect with her, although, shh, Twitter is her favorite.
